

RAY DANES

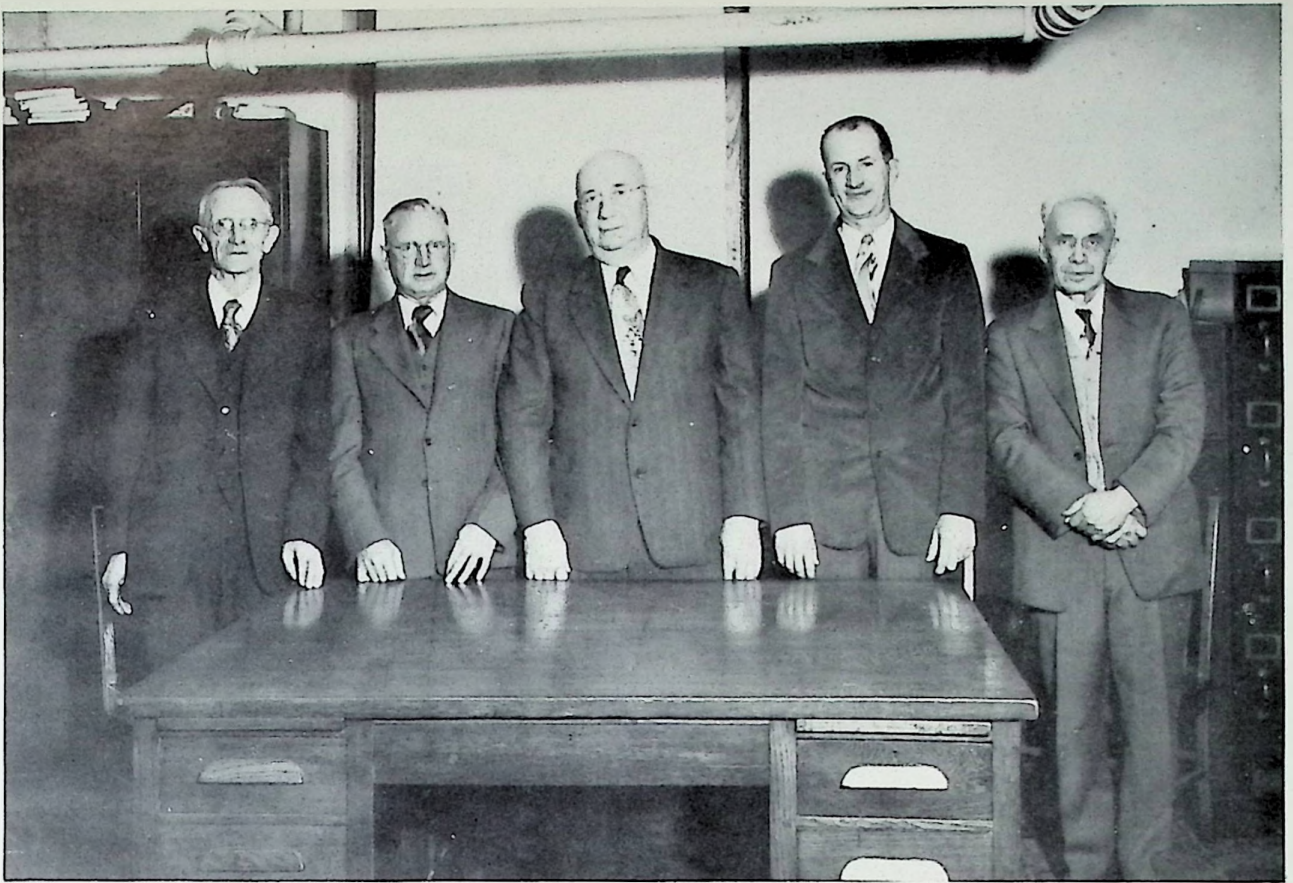

To you, Mr. Duduit, for the outstanding job you are doing as Supervising Principal of the Wheelersburg Schools, we express our sincere appreciation. You have the respect of the entire student body because of your ability to understand us and to patiently listen to our problems as we lay them before you. We have never known you to refuse us your time for any help we may ask, and we feel that when we look back on our four years in high school that your personal friendship, your suggestions and your ideals will be remembered much longer than many of the things we learned from books.

BOARD OF EDUCATION

Left to Right: George W. Smith; Harper Preston, V. Pres.; S. A. Purtee, Pres.; Raymond Conklin; Carl J. Herms, Clerk.

These gentlemen of the Board of Education have been given the responsibility by the citizens of the Wheelersburg School District to see that we have the best schools possible. They form the policy of our schools, employ our teachers, custodians, bus drivers, and spend many hours without pay looking out for the interest of our schools.

As the edition of the *Wheel* goes to press, the Board is planning two of the finest cafeterias in the State.

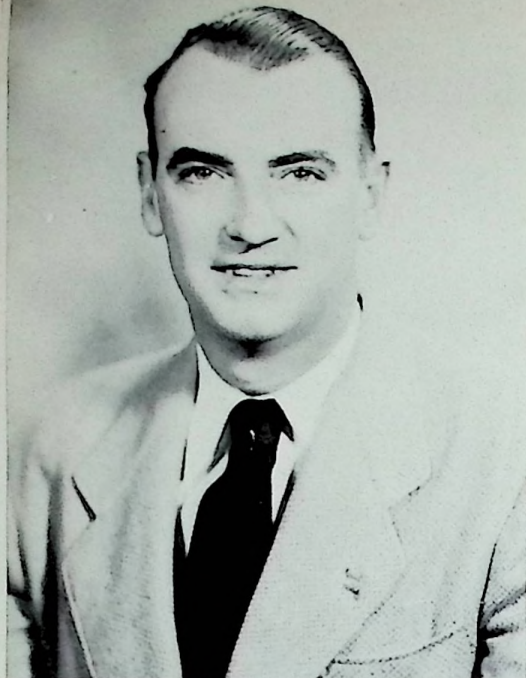

Part of good citizenship is faithfully serving the community -- so we have learned in school. Then what more can we say than, "Thank you, gentlemen, for being good citizens of your community and contributing your time for the boys and girls of Wheelersburg. We salute you!"

(Left) Claude Estep, our basketball coach and teacher, left Nov. 5, 1950 for active duty in the U.S. Navy as Lt. (jg). Under his guidance our team was one of the finest in the county. We hated to lose such a fine coach and teacher and hope for his quick return.

(Right) Jacob H. See, our new Assistant Principal at Wheelersburg, has a master's degree in Mathematics, a B.S. in Education, and is a graduate of Ohio University where he was a member of the Kappa Delta Pi. He has been a teacher at Wheelersburg for some time and we are very happy to have him as our new Assistant Principal.

EDWARD R. McCOWEN
County Superintendent

Mr. McCowen received his B.S. degree in Education from Ohio University, and his Master's degree from Northwestern University. He has attended both Otterbein College and Harvard University. His broad vision has helped make it possible for our schools to offer new courses with the very latest in proper text book materials as the need arises.

It has been pointed out by many Educational leaders in the State that the Rural Schools of Scioto County are indeed outstanding. The Rural School Districts, with the excellent cooperation of the parents and patrons of the schools, have at present, one of the finest building programs in the entire State.

Mr. McCowen said in a statement to us, "We will continue in the future to serve our boys and girls in the best manner and continue to improve the Educational Set-Up in all Rural Schools. The best is none too good for our boys and girls."

C. H. DUDUIT
Supervising Principal, Wheelersburg Schools

Degrees from Colleges -- Masters' in Education - Ohio University. Bachelor of Science in Education - Ohio University.

College work above Masters' Degree -- The Ohio State University, University of Cincinnati, Baliol College, Oxford, England.

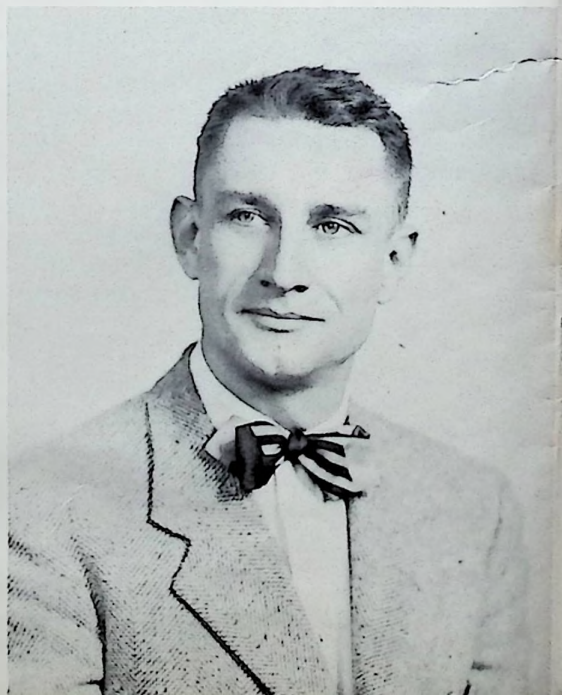

Two years Normal School Training -- Wilmington College.

Summer School work at University of Florida and Miami University.

Educational Honorary Fraternities -- Kappa Delta Pi, Ohio University Chapter; Phi Delta Kappa, Ohio State University Chapter.

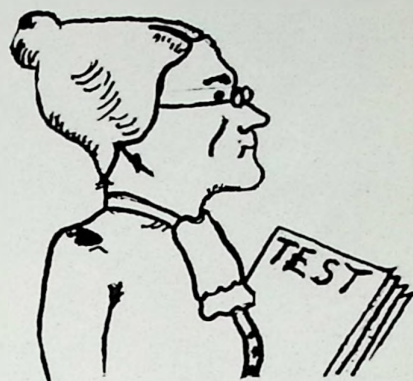

During an interview with the Staff, Mr. Duduit commented, "Most of you have in the back of your minds a goal of happiness, satisfaction, and well-being. If I can in any way help you toward your goal now or in the future, I will be rewarded by my own happiness in so doing. I am not so much interested in making you into a walking encyclopedia of knowledge as I am in instilling within you a keen desire to learn for yourself; a curiosity to get at and stay with the truth of things, and a realization that you are in yourself a very important person -- differing from anyone else in the world."

WHEELERSBURG HIGH SCHOOL

SCHOOL IS PAST

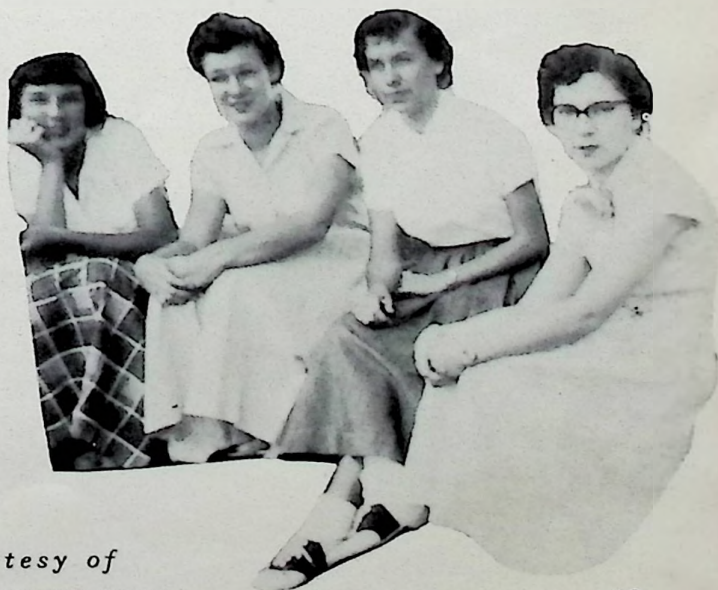

*Twelve years have passed, twelve fleeting years,
We're seniors now at last!
Dear old school days, are almost o'er,
The era of study is past.*

*But don't be sad for bygone days
Though the happiest they are (they say)
Our journey of life has just begun
And we're starting on our way.*

*If in these years you've learned to live
With people as you should,
To always stand for what is right
Then you've done the best you could.*

*We say goodbye to friends and part
As from these school doors we pass
Goodbye to school and teachers too
We leave you to another class.*

CLASS PROPHECY

This is the year 1961, and we, Dorothy Hall and Barbara Strickland, have returned to the city of Wheelersburg from our acting and singing profession in Hollywood, California. Upon entering the city we see Mary Lu Turner which is now Smith who is home on a visit from Marion where she and her family of 5 boys and Don live. Next we see Joan Bolander who is now manager of the Drive-In-Theater. She tells us that Joy Blanton, Joan Hatten, and Delores Colegrove are teachers at our dear old Alma Mater. Also that Helen Montavon is now Mrs. Junior Knapp, and Ronnie McCowen is Superintendent of County Schools. Then we see Ray Ishmeal who is an electrical engineer at Detroit Steel in Portsmouth. Next we see Eva Brown and Bob Jones who are now married. They tell us Judy LeMaster and Skip Billups are now happily married, and that Don Semones is principal at W.H.S. and has as his beautiful secretary Marcelene Nylund, and that Anna Litteral is now a concert Pianist.

We then go to our hotel and who do we see there but Erma Campbell and Carl Cole who are joint managers of the hotel, they call the bell-hops and who should they be but Marvin Bates and Clarence Stewart. Who should serve breakfast the next morning but Alberta Rice and Delores Patrick, they tell us Patty Brown which is now Sowards occupies the *Bridal Suite*. They also informed us Barbara Hinds is now manager of the Lorraine Shop, with Ella Waggoner as assistant manager.

After breakfast we dress and go to the elevator and who do we see but Milton Moore as elevator boy. We then see the janitors, they are none other than Carson Spurlock and Lowell Siders. They tell us Helen Sommer and Fred Stanley are now happily married. Also that Alice Boyer which is now Siders is the mother of triplets. We also find that Joan Riggs (Thompson) is the proud mother of 6 girls. Then we find that our class president Ed Orlett is now the Priest at St. Peters church, and Mildred Thielen is the choir leader.

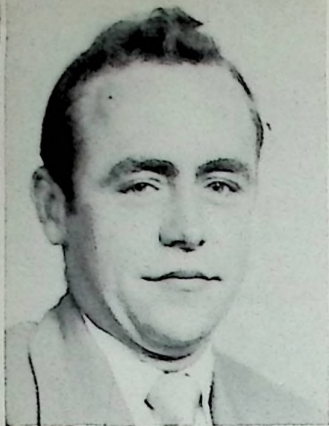

We now find that Wells Smith has taken over his father's business, Smith & Aeh Grocery, and we see as clerks, Peggy DeCamp, Betty Felty and Catherine Fain. They inform us that Agnes Thornton is a Broadway star in New York, also that Doris Johnson, Herma Maynard, Ruth Miller, and Alma Queen are in New York running a successful hat shop. We then go to the Ideal Milk Co. and who do we see but Naomi Turner and Emma Wagner who are now the owners.

As we start back to our hotel to retire for the night we meet Ray Danes who is now a successful artist in Chicago. As we walked along we saw Don Burke, Charles Mauk and Bob Simon who are now joint managers of a large farm in Iowa. They tell us Howard Lyon is now coach, and Naomi Craft is music teacher at W.H.S. We then continued to the hotel.

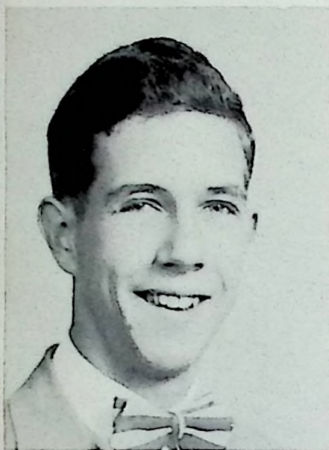

Early the next morning we arose to go to church and found Wilda Hammond's husband minister of the church, and Wilma Hammond and her minister husband visiting them with their 3 children from Arizona. In the choir we see Charolette Salley, Lorraine Roberts, Geraldine Wright, and Barbara Wright. After church they tell us Ralph Gallion is in the hospital, so we rush over to see him, and who should we see as nurses but, Barb Rase, Etta Staggs, Judy Smith and Peggy Polley who is a great blood specialist. Pretty soon the doctor walks in and it is none other than John Fraley. After visiting with them a while we return to our hotel to pack our bags for our return trip to Hollywood. As conductor on the train we find none other than Buster Williams who is married to Edith Blair and she works in the dining room on the train, they are living in Scioto Furnace.

We had a wonderful vacation and hope to get another one very soon.

CLASS HISTORY

In the year 1939, the class of "51" entered various schools for the first time, everything looked so strange and different, but each little student knew they were there to learn the fundamentals of school. We go through eight years of grade school, with recess every day and treats on holidays, but at last it was time to enter high school, where most of these privileges were taken away and we renewed them with older ideas.

Yes! The day we have all looked forward to has come at last. The first of high school. We had two Freshman sponsors, Mrs. Howell and Mr. Preston, assisted by Agnes Thornton, President; Judy LeMaster, Secretary; and Anna Lou Litteral, Treasurer, as class officers. In October of this year we had a carnival, we as Freshmen had the fun house, then came our class party, we ended the year with a picnic at Lake White.

The class officers we chose to guide us through our Sophomore year were Marvin Hay, President; Harold Billups, Vice President; Judy LeMaster, Secretary; and Helen Montavon, Treasurer. The first event of this year was a carnival. Ending the year with a Peppermint Prom.

In October of our Junior year, we got our class rings, and for our first activity of the year was a Halloween masquerade box social. In the Spring we gave our Junior Class Play, "Sing For Your Supper", directed by Mr. Boyd, this was really a great success. We elected Edward Orlett as President to guide us through our Junior year, Joan Bolander, Vice President; Judy LeMaster, Secretary; and Helen Montavon, Treasurer. The big high light of the year was the Junior-Senior Banquet. Our Banquet was held at the Chez Paree, the Theme was "Look for the Silver Lining". With Lou Martin's Orchestra at the dance after the Banquet, made the entire evening a great success. The Juniors planned the Commencement Program for the Mid-Century class. At the end of the year the entire high school went to the fair grounds for a picnic. We were sponsored through this exciting year by Miss Richards and Mr. Boyd.

This is our last year and even though we are glad of it I imagine that we'll sorta miss everything. When returning in September we noticed we were missing about fifteen class mates. We were sponsored by Mr. Preston and Mr. See. For our Senior class play we chose "Strickly Formal" under the direction of Mr. Boyd. The Juniors gave the Seniors a swell banquet at the Chez Paree on May 3, 1951.

Our thoughts now turn toward graduation, the two days which we have looked forward to for years, our Baccalaureate, May 6, and Commencement, May 9.

Through this exciting year we were guided by these class officers: Edward Orlett, President; Joan Bolander, Vice President; Judy LeMaster, Secretary; and Helen Montavon, Treasurer.

"Foundation First; then Castle", is our motto. As we graduate this spring each of us have our foundations and now we are ready to build our castles.
