SENIOR CLASS ACTIVITIES

Our first event was a Christmas Party sponsored by the Senior Class.

Three members of our class are players on the Varsity Basketball team. Namely: Orville Gable, Kenneth McGlone, and David Lodwick. Two other members were appointed managers of the basketball teams. Namely: William Wolfe and Charles Tewksbury.

Several Seniors participated in a Musical Comedy called the "Big Broadcast of 1941", which was conducted by Mr. Thomas Giles, the Music Director.

The school participated in radio program at our local broadcasting station WPAY.

The Senior Class is planning a trip to the State Capital, Columbus, Ohio sometime in May.

We are looking forward to the most important event of our high school career, Our Graduation Exercises. This is the one goal which all of us have been hoping to reach.

Teacher: "How would you punctuate this sentence? 'The wind blew a ten-dollar bill around the corner.' "

Johnnie: "I would make a dash after the bill."

"Live And Let Live"

"Aye, I sometimes go to the doctor. Doctors have to live, you know. And afterwards I go to the chemist with the doctor's prescription. Chemists must live, too. When I get home I throw the medicine down the sink."

"Why?"

"Well, I also have to live."

SENIOR CLASS HISTORY

Class Colors	Old Rose and Blue
Class Flower	American Beauty Rose
Class Song	Faithful Forever
Class Motto	Not at the top but climbing.

The Senior Class of 1940-41 is composed of twenty-five members. Our class officers are as follows:

President	Charles Tewksbury
Vice President	Orville Gable
Secretary	Bill Wolfe
Treasurer	David Lodwick
Reporter	Juanita Garden

We entered Clay Township High School, September the seventh, nineteen hundred and thirty-nine and took up our course of studies. The two years preceding this, part of our pupils went to Glenwood in New Boston and part went to Portsmouth High School. We entered Clay Township High School as Juniors and immediately met with the problem of preparing a banquet for the Seniors of that year.

This being the second year for our school, we have tried in every way possible to set a good example for the lower classmen.

In our first class meeting this year we elected the officers who were to be our guides during our Senior year. In determining who these should be, a class vote was held and Miss Ida Mozelle Cutright, our Latin and English instructor, and Mr. Carl D. Bandy, our principal, were unanimously elected to be our advisers for our final year of our career at Clay Township High School. To these two people we are very grateful for their guidance throughout the entire year. We are also grateful to the other members of the faculty for their part in guiding us to a great victory.

As in any organization, large or small, no matter what its purpose is, there are some who will withdraw; School is no exception.

The Senior Class felt badly about losing two of its members shortly after we had started our first semester. Ann Jenkins, who was our class secretary, withdrew from school to venture into the world of to-day's confusion and uncertainty. James Donahoe, another of our members, left us to enlist in the Army. We wish these two former classmen all the good luck and happiness which can be in store for them.

We want to take this opportunity to wish the Senior Class of next year the best of luck and may they enjoy their stay at Clay Hi as much as we did!

Nothing Definite Yet

Jim: "What a crowd! Something happen?"
Joe: "Man fell off the roof."
Jim: "Hurt Bad?"
Joe: "Can't tell. Only found one leg so far."

Then He Resigned

"I don't want any callers this afternoon," said the businessman to the office boy. "If they say their business is important, just tell them that's what they all say."

That afternoon a lady called and insisted upon seeing the man. "I am his wife," she exclaimed. "That's what they all say," said the office boy.

True to her friends, whateve betide.

He's short and stout but very neat
Someday he'll be someone's sweet.

President	Lawrence Hale

Secretary	Janet Robinson
Treasurer	Mary Wallin
Reporter	Verna Scowden

At the first of the year we enjoyed a weiner roast at Picnic Point chaperoned by Miss Cooper and Miss Jackson.

The latter part of the year we worked very hard so that we might produce a memorable Junior-Senior Banquet. The means: We took alternate turns at selling candy; the first semester we sponsored a moving picture show which was held every Monday night; and we presented a class play called "Meet the Folks" by James F. Stone, which was enjoyed by everybody who saw it. We endeavored to make it one of the best that was ever sponsored and we believe we succeeded. The Junior-Senior Banquet was a great event at which the class members dressed formally. The array of the girls' colorful gowns plus the boys' appearance in their tuxedoes made an appropriate arrangement.

The Junior Class is represented in basketball. We have on the varsity team: Lowell Prior, Montella Smith, and Richard Kelly; and on the reserve team, we have Orville Bayless. We hope these boys will be our star players next year, as we are very proud of them. Three of the cheerleaders, Verna Scowden, Janet Robinson, and Janet Schmid were taken from our class.

The Junior Class had a large number in the successful "Big Broadcast of 1941". We, also, are well represented in the band and orchestra.

We wish to take this opportunity to tell Miss Loretta Cooper and Miss Marjorie Jackson, our class advisers, that we deeply appreciate their excellent cooperation with us for making our Junior year so successful and pleasant.

We sincerely wish the next year Juniors much luck in their school year. Next year we shall strive to make a Senior Class as good as our predecessors and we hope the school will be proud of us as well. We wish the 1941 Seniors the best of luck when they leave school.

TO OUR COACH

BERL G. HANEY

Mr. Haney deserves all the laurels and decorations that can be placed upon him, for his splendid job in his first year of Varsity coaching. With all the available material, he has done an excellent job in building up a good ball team.

Through every game of the year, Mr. Haney has given the boys encouragement and stood by the team at all times. Win or lose, the team knows the coach still has faith in their ability as Basketball players.

The school joins in with the team in saying thanks to Mr. Haney for this year of fine coaching and the many victories he has made possible.

We, of the staff, wish to extend our hearty congratulations on the fine season past and wish Mr. Haney and his team many more successful years in the future.

VARSITY

Orville Gable--Captain Gable is an excellent player. He is called "Bud" by most of his school mates. Bud plays forward and is our key man on the fast break; he also shoots a long shot; he spells trouble all the way around for the opponent. He has the highest average of any player on the team and has been captain for two years. We will all miss him very much next year.

David Lodwick--"Dave", as he is generally called, went to Glenwood his first three years, where he also played forward on the basketball team. He came to Clay in his Senior year. Dave was a great asset to the team because of his ability to shoot from the corner of the floor; he was the best corner shot in the County this year. Dave has acted as co-captain in most of the games this season. He is a "swell guy" both on and off the floor and we are sure he will be greatly missed by all next year.

Kenneth McGlone--"Ken", as we all call him, spent his first three years at P. H. S. He played center on our team this year. Ken is six feet and four inches tall and weighs two-hundred sixty-nine pounds, but despite his weight, he could sure get around and proved a valuable player for the team. He is well liked by all his team mates and his absence next season will be missed quite a bit.

Crendshaw Pack--We all call him "Creny" all the time. Creny is a guard and a very good guard too; he is like a stone wall to his opponent. He is a good hard ball player and almost a dead shot from the center line. Creny is only a Freshman this year; so, with his speed and heads-up playing we predict that he will go places in the next three years.

Lowell Prior--Lowell played guard on the team this year. He is a very good guard and could be depended upon to guard anyone. Lowell is a good long shot but he is easily depressed. He played last year in the same position. Lowell is a Junior this year so we will all hope he will be in there guarding next year.

Junior Bailey--Junior was a substitute for the Varsity this year. He is a swell player in almost any position. He has played in a good many games and proved himself to be a very promising player. Junior is only a Freshman so we wish him all the good luck and success possible in his next three years.

Ted Smith--Ted is a tall lad, about six feet three. He was a substitute center on the squad this year, and put in many hard earned quarters. Ted is a Freshman this year, so he will probably be the center next year. We hope your next three years are very successful, Ted.

...♦--♦...

RESERVES

Raymond Payne--Payne is the captain of the Reserve team. He plays forward and has proved himself a very alert ball-player. He is only a Sophomore, so we can look for him to use in the future.

Howard Wiget--Between the Band and the team Howard is a very busy boy. He is forward on the team. With a little more experience we believe he will rise to the top in the next couple of years. Howard is a sophomore.

Dave Kaut--Dave played center for the Reserves. He is a good shot and a hard ball-player. He has great possibilities so, he, being a Sophomore, we will probably see him next year.

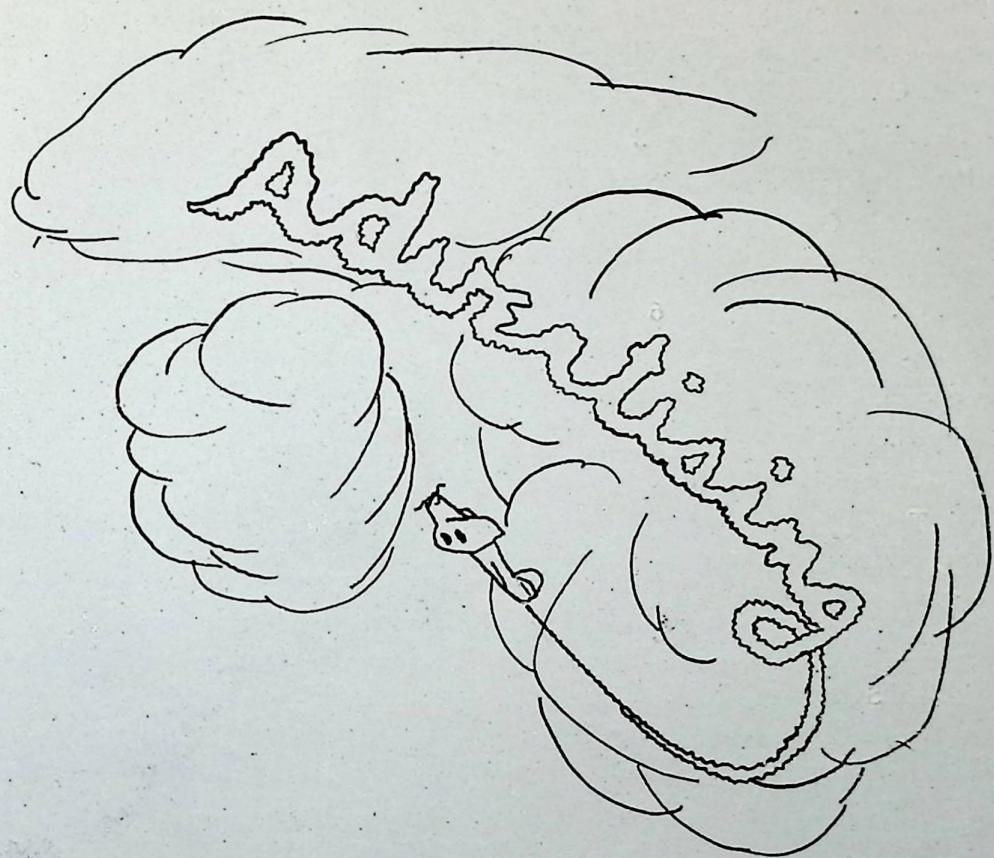

John Kaltenbach--John does a swell job of guarding and can really shoot a fake. He is really a scrapper and spells bad medicine to a boy who cannot get rid of the ball quickly. John is a Sophomore and looks like future Varsity material.

Orville Bayless--Orville is a Junior and is substitute guard. He has been handicapped by sickness this year. Better luck next year, Orville.

Richard Gable--Dick was a substitute this year, but didn't see much action, but he is only a Freshman, so he still has time to shine.

Ted Bently--Ted was a substitute, but did not see much action this year, but he is just a Freshman--that means we may see him in the future, because he is very fast.

Jack Bainer--Jack was a substitute, but a good ball player and a good sport like the rest, and we are looking for him in the future.
