## FALCON GRIDDERS RECORD BEST SEASON EVER

The mighty Minford Falcons recorded their best record ever in the 1984-85 campaign with a mark of 7 wins and 3 losses. The Falcons scored 25 touchdowns, a school record. The defensive unit ranked one in Southern Ohio and the offense second. Of the season, Coach Berry said, "It was a pleasure to be associated with this fine group of young men, the most successful ever fielded here at Minford." Named to the 1st team S.O.C. were Rodney Palmer, Kelly Cinereski, Miles Rayburn, and Raymond Hammonds. Rayburn led the team with 112 tackles and was selected to the 1st team All Southeastern District. Some other individual accomplishments were Hammonds rushing for 1,009 yards on 160 carries with 10 touchdowns. Shepherd's 11 touchdown passes, and Steve Martin's 8 touchdown receptions.

Coach Jeff Berry anxiously paces the sidelines.

# Soccer Team Finishes 8th In State!!

The M.H.S. Soccer Team had great success this year. They had a final record of 15-2 and finished 8th in state double A competition. One of their two losses came from the hands (or feet in this case) of Cincinnati McNicholas, the eventual state champs. The team lost seven seniors, but are expected to be even more successful in future years. This year's captains were Alan Paolucci, Scott Powers, and Tim Munion. Awards were given to the following: **Best Offensive** — Ron Goodson, **Best Defensive** — Joe Cyrus, **Most Assists** — Dave Munion, **Most Improved** — Scott Powers, and **Most Valuable Player** — Alan Paolucci. Great job guys!

# A Real Championship Season

The varsity team completed the season with the best record in Minford volleyball history. The team won the Division II SOC title with a 10-0 record, making the second time this has been accomplished. The girls won the sectional tournament, defeating Wellston and Portsmouth West. They finished the season with a loss to Gallipolis in the first round of district play at Chillicothe High School. The team will lose three seniors, but has several juniors and sophomores to carry the load next year. Miss Miller was named Volleyball Coach of the Year. Congratulations to the girls and Coach Miller!

## RESERVE SPIKERS FINISH STRONG

The Minford junior varsity volleyball team finished the season with a 6-9 record including four straight victories at the end of the season. With 17 girls on the roster, most of the girls got some playing time every match and started putting everything together at the end of the season.

The team is looking forward to next year and hope even more of the community will support them. Congratulations to all the girls and to a fine coach, Karen Miller, who was named volleyball Coach of the Year.

# GOLF TEAM FINISHES 29-6

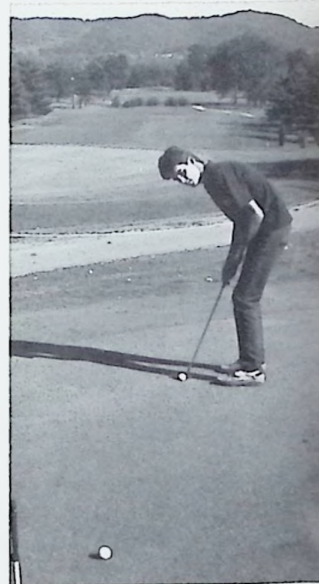

What a year our golf team had! A record of 29-6 made our competition envious. Even inexperience couldn't stop the Falcons as we fielded 5 juniors and 1 freshman. Bob Sowards' finished the season with a 36.3 average and was selected MVP. Most improved player went to Jay Scott. When asked about next season, Coach Jim Gilbert replied, "Everyone will be returning and we are looking forward to a super season."

# WEBB PACES HARRIERS

Although this year's Cross Country Teams did not break records in terms of making the books, personal goals for each of the team members were achieved. Outstanding in her efforts was Becky Webb, a junior who paced the team with an opportunity to run in the State meet. Earning her this prestigious standing was a third place position in the District competition. Attaining 25th place in the State meet makes us proud of not only Becky, but of the other runners as well for giving it their all!

## GIRLS GO

### 10-8

The 1984-85 edition of the girl's varsity basketball team was an exciting one. Under the direction of Coach Bill Hale the squad placed second in the S.O.C. A couple of bright spots for the Falcons were sophomore Jamie McGraw and junior Linda Sparks who were named to S.O.C. Division 11 first team. Senior Angie Breech exclaimed, "I wish we could have gone farther in the tournament, but we still had a successful year". Coach Hale has been a big factor in the growth of the program with a five year record of 64-41.

Kneeling: Coach Bill Hale. Standing left to right: Amy Seidel, Barbie Oppy, Paige Donahoe, Linda Sparks, Missy Martin, Jamie McGraw, Christy Zempter, Angie Breech, Teresa Zempter, Missy Wright, Shannon Morgan, Carla Palmer.

## RESERVE WINS S.O.C. CHAMPIONSHIP

The 1984-85 Reserve Falcon team finished with a record of 13 wins and 1 loss. This earned them the S.O.C. championship. The outlook for next year is outstanding as many of the reserve players will become varsity, and Minford should be a power in S.O.C. Girls' Basketball.

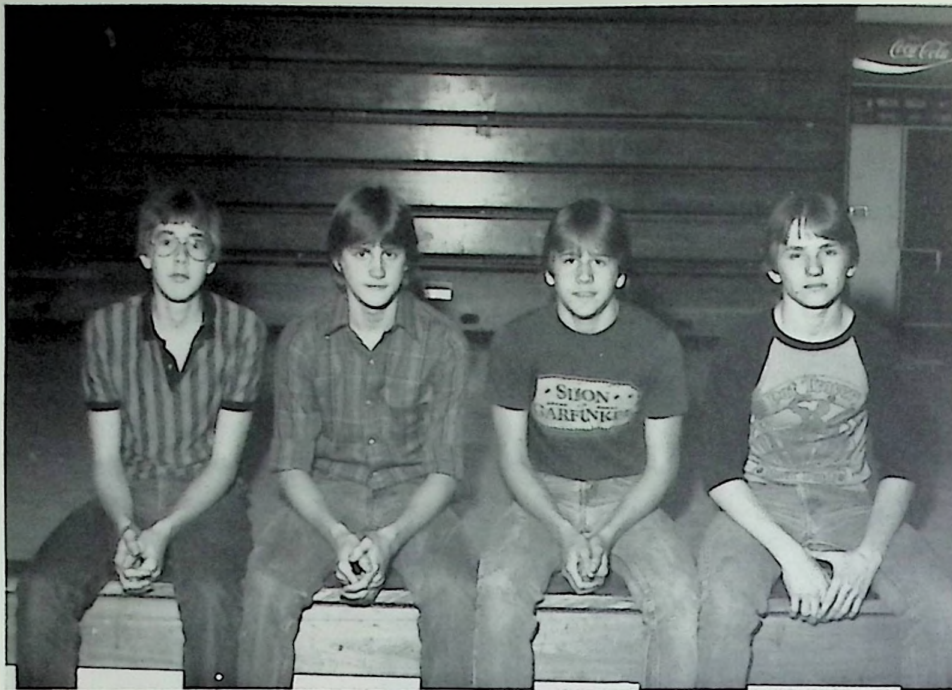

1984-85 FALCON RESERVE SQUAD: Front row: Laura Kelly, Michelle Tackett, Elaine Lyons, Amy Seidel, Stacy Truglio, Missy Art, Sharon Allen. Back row: Missy Wright, Dawn Evans, Julie Kayser, Teresa Zempter, Shannon Morgan, Shaantel Mougey, Carla Palmer, Mary Lyons, Coach Bill Hale.

After a 3-17 win/loss record last season, the 1985 baseball team came a long way to develop a much stronger team. Mr. Bailey's expectations of "a much better season" were proven to be true. The team was made up of several veteran players and their teamwork and high spirits kept the team pulling together. Congratulations to Coach Bailey and the entire team for the incredible turnabout and for finishing with the even record of 10-10.

# CHAMPIONS

The 1985 edition of the Girl's Softball Team will long be remembered for capturing the Sectional championship. After a very slow start, the team got its act together to show the area their potential in tournament play. The team was composed of several returning Varsity players, as well as many newcomers. The coach was Diane Daniels, assisted by her husband Rick. The two of them never gave up on the girls and were the driving force behind the team. The girls rallied to overcome the powerful West Senators for the Sectional title, but were next defeated by Meigs in District play. The team will definitely be stronger next year as they lost only two seniors. On to State next year!

# GIRL'S TRACK

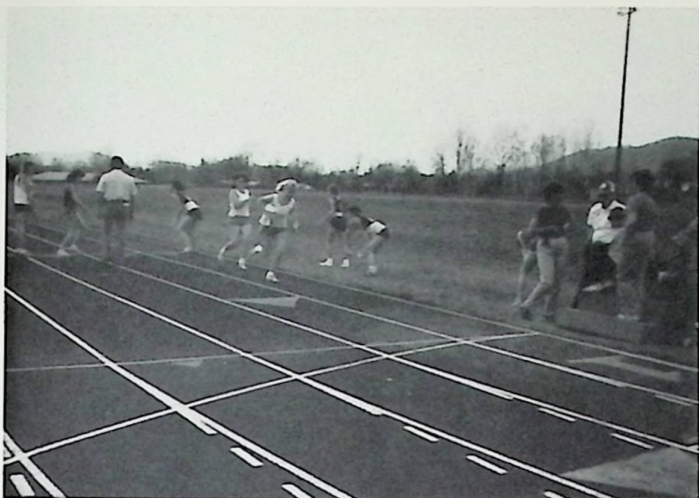

The ladies track team began with a soaring high this spring. They received first place in the Jackson Invitational, which was the first invitational of the season. One slight disadvantage for the team was the low number of runners. A total of 18 girls made up the team. However, three of these members were strictly in field events. Obviously they were still indispensable to the team — one of these girls went to regionals. Next year's team should be a strong one as a result of the young team this year. Ideally, almost the entire team will return next year. Veteran Becky Webb will be back, to the joy of her team. After an injury to her leg, Becky was out for most of the season. Another powerhouse, Kelly Wiehle, will be right at her side. Kelly, only a freshman this year, was the overall high-point girl with a total of 217½ points. Ten girls went on to districts from sectionals. Four of these went to the regionals in Dayton. Those who went were Becky Webb, Kelly Wiehle, Teresa Easter, and Jamie McGraw. The latter three were first year members on the team. Truly, these girls were "flying falcons" to be proud of!

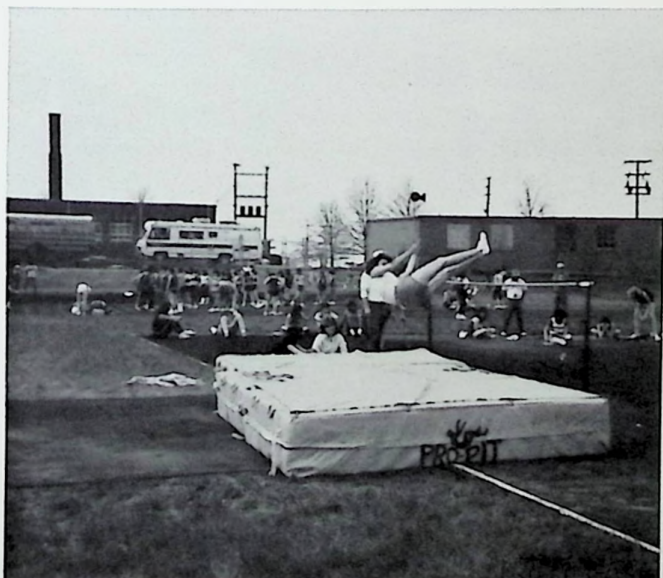

1985 FALCON GIRL'S TRACK TEAM: First Row: Karen Coriell, Melissa Dever, Diana Adkins, Amy Parker, Lori Gampp, Missy Art, Pam Smith, Kelly Wiehle. # UNMATCHED

The Minford High Tennis Team enjoyed yet another successful season, finishing up with a record of 15 wins and 1 loss. Last year's team, composed of many of the same members, set a good example with a 17-1 record. The 1984-85 team was led by Senior Kevin Hickman and Junior Darren Shepherd who both were District Finalists this year. The duo placed second out of sixty-four teams competing. The sophomore doubles team of Steve Book and Mike Stanley finished fourth in the District. Other members of the team included Seniors Jodi Stone and Carol Figlestahler, and Sophomores Randy Conkel, Keith Wiehle, Chris Jordan, Shaun Stone, and new additions, Don Jackson and Rob Lykins. The team will sorely miss the three departing seniors, especially since Figlestahler and Stone have had winning career records (opposing mostly male competitors). The new talent of the sophomores will be a strong point of the 1985-86 team. The team will also build behind top players Darren Shepherd (who has had only one regular season loss in three years) and Steve Book (the top sophomore player in Scioto County). With credentials like the team has, how could they go wrong?

The band celebrated Halloween by dressing up at the football game against East.

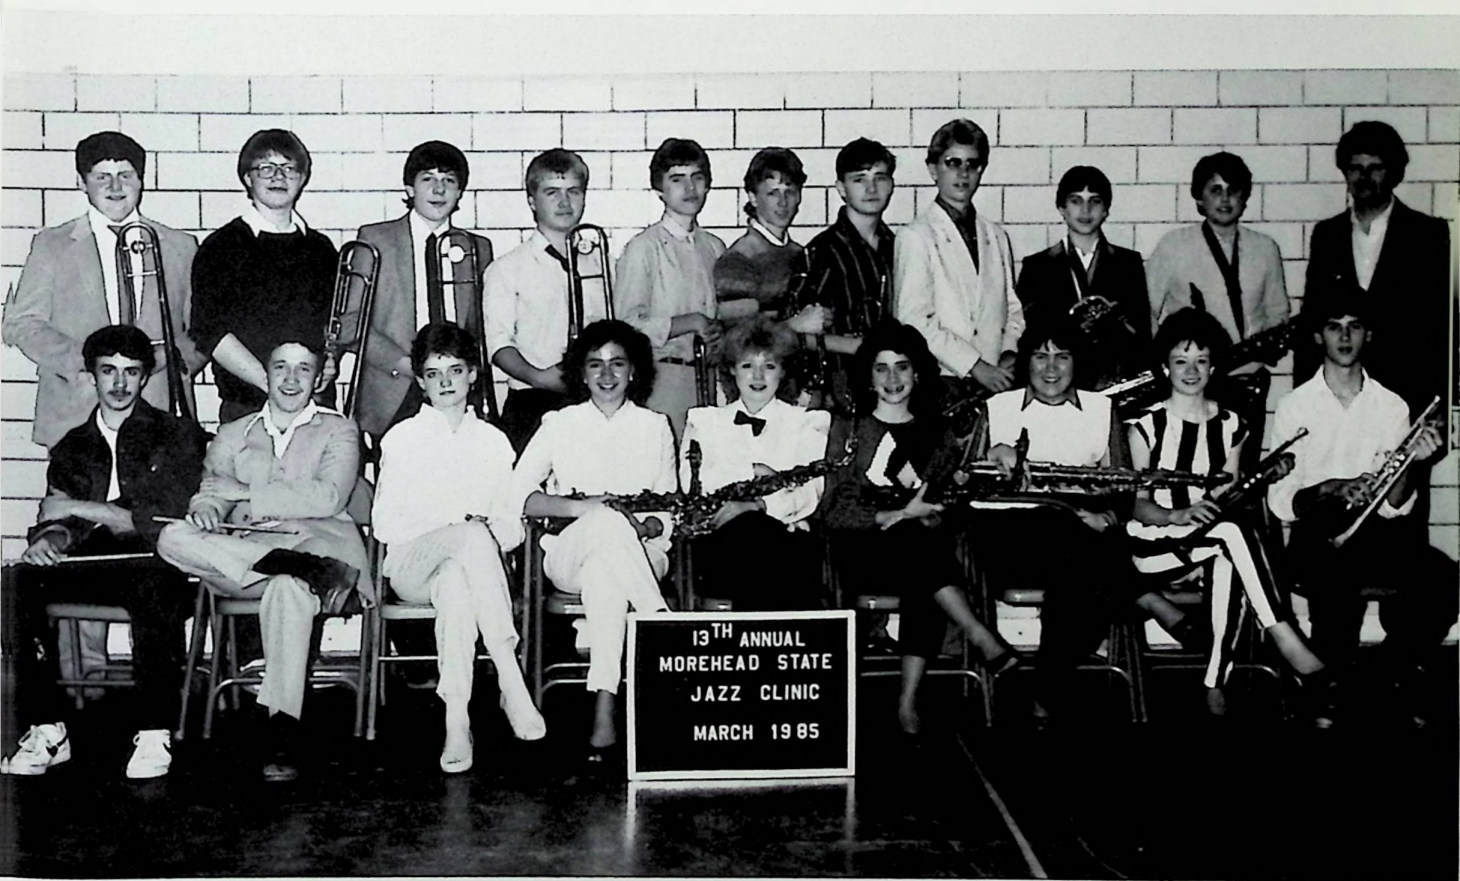

The band marches through the streets of Portsmouth in the River Days Parade.

The 1984-85 Marching Falcons had a very busy year. For the first time, the band participated in Huntington's televised Community Day Parade, and as always, they marched in the River Days Parade in Portsmouth. Other marching activities included the Christmas and Memorial Day parades in Minford as well as all of Minford's football games.

The concert band exhibited their talents, as well, at the annual Christmas and Spring concerts.

# Spirit? Let's Hear It Falcons

The 1984-85 edition of the Minford Cheerleading squad was under the direction of Cindy Bradshaw. The cheerleaders went to camp at Kenyon College, where the Varsity won the entire competition. A real bright spot was the honors the reserve squad captured with a couple of thirds, a second, and a first place ribbons. Senior Varsity Captain Jodi Stone felt that "everyone went out and gave it their all." Congratulations to the gals of M.H.S.

# DRAMA CLUB

The Drama Club, although small in number, was powerful when it came to working hard. The Drama Club has been programmed to performing mainly in children's theater. The only production this year was *What Harold Was Afraid Of*. The play was about a King and the problems surrounding his bratty son. The play was performed at the Southern Ohio Cultural Museum. Plans to put on the play at local schools were cancelled due to inclement weather. The members of the club raised money this year by once again selling cookies. Plans are also taking form for the group to paint faces at the Harrisonville Reunion. With the money raised, a group of actors from Cincinnati were hired to come and give Drama students a few "behind-the-scenes" tips. The thespians of MHS look forward to an even more active year in '85!

# THE "SOUNDS" OF MUSIC

The 1984-85 school year saw a new change in Minford's choral group. Under the direction of Cynthia Bradshaw the chorus participated in various school assemblies and was chosen to sing on WOWK's TV Christmas program. The highlight of the year was "Spring Fling '85." In this concert they sang and danced to "down-home" Alabama and to rock and roll. The rock segment followed the history of rock from Chuck Berry to Michael Jackson.

The Butcher-Corriell Chapter of the National Honor Society was active this year when it came to raising money. The first event of the year was the annual White Christmas fundraising. For weeks, our members begged and pleaded for money from students and teachers. Before Christmas, the money was counted and the members went on a shopping spree to buy clothes and toys for needy families. The gifts were then delivered to the families by the members. The next event was a raffle on Valentine candy. To finish off the year, two bake sales were held after school.

The 1985 Induction Ceremony was held on April 19. After a social hour hosted by the Honor Society, the new and old members enjoyed a pizza party and then finished out the day with a softball game.

Sponsors Mrs. Patterson and Miss Gampp prepare the stage for inductions.

# CLUBS AND ORGANIZATIONS

The Scioto County Junior Honors Program for the Talented and Gifted offered four of our junior students insights to our community through several enrichment courses, as well as many exciting field trips. The students were selected on the basis of academic achievements and their individual talents.

We are pleased with this year's delegation and hope that they will continue to make us proud.

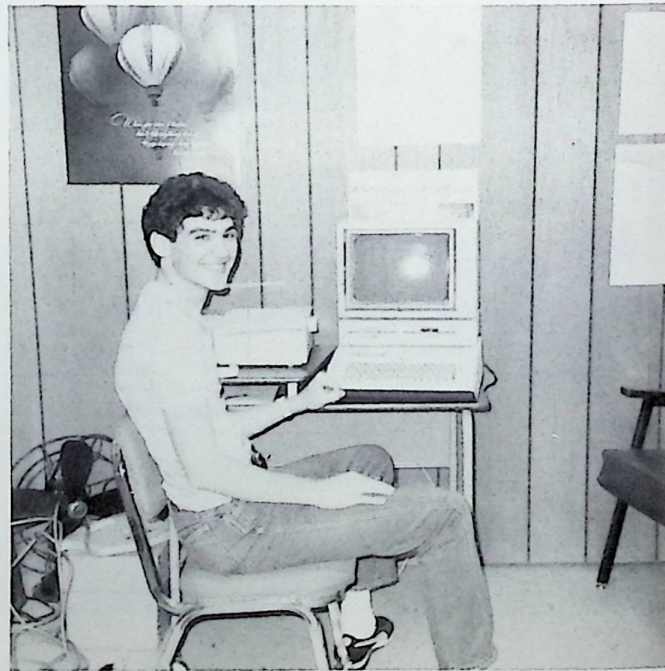

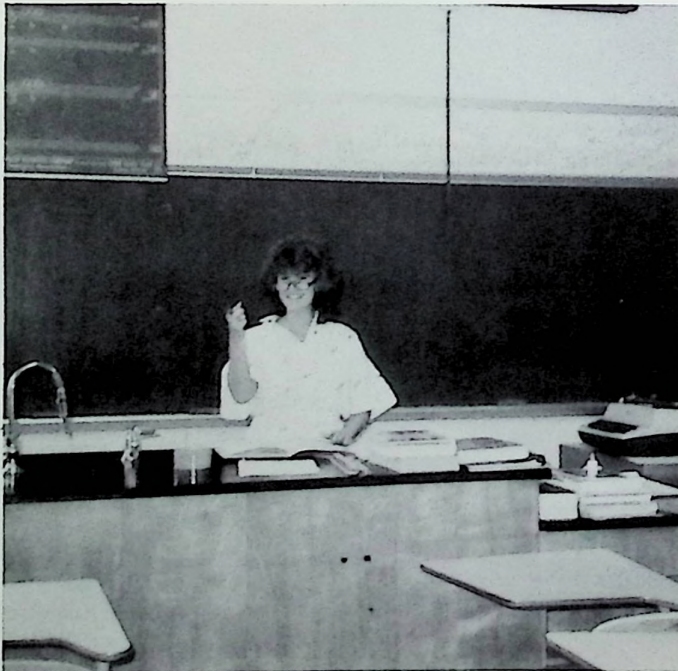

The Scioto County Senior Mentorship Program has given four of our seniors the chance to further their future careers by working with actual people of their chosen professions. This year's students and their mentors are: (l to r) Laurie Woods with Pamela Kallner of the Minford Gifted Education Program; Ed Goodman with Mike Gapp of Shawnee State Computer Dept.; Alan Paolucci with Dr. Gillen, a local dentist; and John Gibbins with Dr. Collins, a local veterinarian.

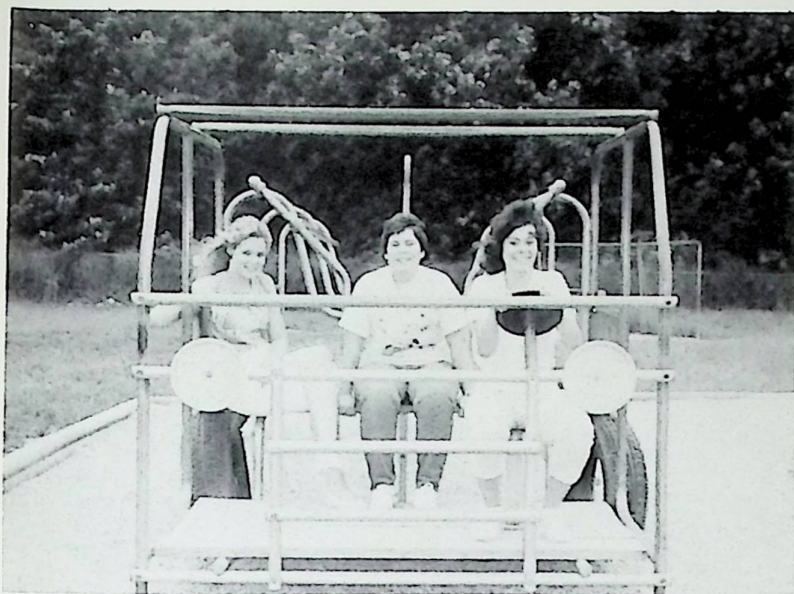

These students, previous Jr. Honors members themselves, go at designated times each month to work with their mentors and receive actual "hands-on" experience. This program better their understanding of their careers and offers them an insight to their college education. We would like to wish these students the best of luck in their futures.

1985 Buckeye Boys and Girls State: (above) Kim McGraw, Brenda Marion, Jennifer Roffe, and Kadenna Bently (rt.) Jay Scott (below)

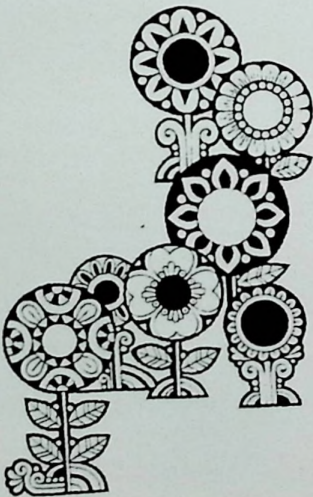

Buckeye Boy's and Girl's State gave several of our students the chance to participate in a "mock" governmental process. While attending Buckeye State, each student learned the functions of state and local government. They each campaigned for an office and worked with professionals in their appointed offices. The students were sponsored by several area merchants and the Minford American Legion. We would like to express our thanks to the Legion for this worthwhile experience.

# UP TO PAR

M.H.S.'s River Days candidate for 1984 was Jennifer Percell, daughter of Mr. and Mrs. Harold Percell. She began raising money by calling on area businesses to persuade them to be sponsors. On September 1st, Jennifer was paraded on her putt-putt golf oriented float in the Annual River Days Parade. The float was recognized for a 2nd place award. Jennifer recalls the preparation and the activities by saying, "It was a good experience." She added that "she made a lot of new friends and really had a lot of fun." All of us Falcons were proud of Jennifer and the way in which she represented our school.

## SENIOR CLASS PLAY

### HOSPITAL BY TIM KELLY

Doctor, Doctor, Is there a doctor in the house? That's what the cast members of the Senior Class Play were calling when they presented *Hospital*, on November 13, 1984, under the direction of Ellen Dodson. "After a slow start the cast pulled together to show what teamwork really means. Each member of the cast is equally important and must do his very best for a play to be successful. There are no small parts," explained Mrs. Dodson.

Upper right: Backstage, Mrs. Dodson gives a last minute lecture to the cast. Upper left: "Just between us . . .", Miss DeFarge (J. Hughes) conferring with Miss Nightingale (K. Porter). Lower left: Miss Fairfax (Barb Oppy) and Dr. Fred (Kathy Jenkins), plotting their dirty deeds. Lower right: Undercover Molly (Lea Hammond) and Policeman (Dana Rolfe) devise a scheme to catch the crook.

# D I S A S T E R A M A

The 1985 Spring Play was quite different from those in the past. For starters, all grades were included in the selection of the cast members. Secondly, the script was the funniest and the best in years. Mrs. Dodson was very proud to bring the play to the stage. A lot of credit should go to her, for she encouraged the students to place this play high among their priorities. They did . . . and it showed!

## *Poem To The Seniors*

Another year goes passing by  
 Another Prom is here  
 To some this brings a joyous smile  
 To others, brings a tear  
 For four years you have tread a path  
 From dawn to setting sun  
 But now the path gets steeper  
 And the climb is just begun.  
 We're very glad to know you  
 We'll miss you when you've gone  
 And to the class of '85  
 We dedicate our Prom.

# A "FAIR" EXCHANGE

Alexandra Wessels and Aude Gastineau gave new meaning to the phrase "Two's company" this year. Minford was the host school to these two European "guests." Alexandra (Alex) stayed in the home of Larry and Carol Dever, while Aude resided with the Harold Jordan family. The two girls not only brought culture to the area, but also brought fun to the activities they participated in. Aude is from Paris, France and Alex lives near Cologne, West Germany. Both agreed that the schoolwork in our schools was much easier than that in their home schools, a statement that should make us Falcons feel privileged, eh? Alex and Aude made a lot of new friends here, partly due to their interests in the extracurricular activities. Aude was in the Senior Class Play and took the Government Scholarship test this May. Alex had parts in the Drama Club play "What Harold Was Afraid Of" and the Spring "musical." She was also very active in Bible Club activities. Not only did our two visitors earn a page in our yearbook, but they also made the front page of the area's own *The Scioto Voice* as a feature story. In the article the girls said that they "appreciated all the people who (made) them feel at home and who helped them get acquainted." We would like to take this opportunity to say how much we enjoyed having them both here and also how much we have learned from each of them.

I, Scott Dawson, will to Brian Chandler my ability to turn girls on.

I, Stacey Shumway, will to Christy Zempter my uncanny ability to be late for Kuhner's class and drive him bonkers.

I, Tracy Vogel song, will my official "Bickie Bob" leathers to Rama Lavender.

I, Carol Figlestahler, will to Teresa Butcher my beautiful LTD.

I, Laurie Woods, will to Paul Madden a box of Milk-Duds to eat only in extreme emergencies and to Jay Scott, my super-duper, know-all predictable chart, which he will have to learn how to use.

I, Kevin Hickman, leave all my tennis skills and racket to Keith "Hubcap" Wiehle.

I, Jodi Stone, will my super tumbling ability at basketball games to Julie McKenzie.

I, John Gibbins, will my wisdom and knowledge to Dan (Danny-Ray) Kuhner who is sorely lacking in both areas.

I, Debbie Stephenson, will all my freedom to all the girls who have been going steady longer than two years.

I, Kim Shonkwiler, will Shaun Stone, the big PEST, to my sister

Lori all to herself.

I, Phil Blackburn, will my ability to have an active night life to Mr. Danny Ray.

I, David Aeh, will the trash in my locker to Kenny Adkins and one million dollars to Gina Moore when I get it.

We, Kelly, Donna, and Susan, will all past partying experiences and memories along with the ability to carry them on, to Susan Fremont.

I, Jennifer Percell, will my sense of humor to Gina.

I, Pam Smith, will my impeccable manners, compassionate disposition, and most importantly, all my tutoring abilities to Mike Wallace.

I, Dana Rolfe, will all my ability to get women to Robby Coriell.

I, David Rolfe, will all my empty alcoholic beverage cans to Johnny Jones.

We, Sonya Parker and Mary Gulker, leave to Rene and Lena, our friendly faces and our famous wave, and to Amy Truglio, our good times on Steele's Hill and Dan-the-man (Mr. Cool).

I, Keith Adams, leave my ability to work at McDonald's till the wee hours of the night and still come to school to Dena Crisp. We all know she needs it.

I, Alan Paolucci, will my "happy feet" to Dennis Phillips and Brady Kempton. I also will my extraordinary scholastic ineptitudes to the '86 physics class. I, with much consideration, will my wonderful locker hygiene practices to Rob Payne. I give, with wholehearted apathy, my inane luck to Scott (Mel) White.
