# WALES RECEIVES MISS CONGENIALITY AWARD

On August 29th, 30th, and 31st, the annual River Days Festival was held in Portsmouth. River Days is a community celebration with many exciting activities such as boat races, music concerts, a grand parade, and a Miss River Days Pageant. Jodi Wales was **Portsmouth High School's** representative in this year's pageant where she received the Miss Congeniality Award. In keeping with the pageant's theme of "Portraits of America," Jodi built her own float featuring scenes of Disney World. Jodi's float, preceded by the **PHS** Band of Tomorrow and the **PHS** cheerleaders, led the grand parade through the streets of Portsmouth.

As summer rolls to an end, a new school year begins. But before the doors open and the students come strolling in, preparations for the new year are put in motion. The athletes are busy preparing for the fall season, the counselors are reporting back to school early to double check the schedules, and every freshman is worried about getting lost on the first day! Then school begins. The homerooms fill with students awaiting the first day of classes. The days and weeks go by as autumn reaches its peak and there are hints of excitement in the air. With River Days over, this is the time for football, homecoming, band, girls' tennis, volleyball, and Thanksgiving vacation. You had to be there!

# TROJAN FOOTBALL

After dropping their first four games of the 1985 football season, the **TROJAN** gridders finished .500 in their last six games. These wins included a 22-13 Homecoming victory over Greenup Co., another 22-13 win over Ashland, and a 20-0 shutout of rival West Portsmouth in the finale. In the first year of the new Ohio-Ky. Athletic Conference, the **TROJANS** finished in the middle of the league with a 2-3 record. Although several starters will not return because of graduation, the **TROJANS** look for better things in 1986 as several young starters return. Players receiving team awards were Chris King, recipient of the Bob Garner Award, Off. Back Award, and Def. Lineman Award; Tony Lasswell, who captured the Def. Back Award; Arnie Thoroughman, recipient of Special Teams Award; Ted Newsome and Bryan Sparks, who shared the Off. Lineman Award; and Kevin Purpura, recipient of the Most Improved Award.

# STRIDING FOR VICTORY

The 1986 LADY TROJAN track team had a very successful and rewarding year. The track team defeated 26 teams while only losing to 11. The team, which consisted of 21 girls by the end of the season, worked very hard to achieve this success. Outstanding achievements during the year were: **800 Meter Relay Team** of Faith Williams, Stephanie Hobbs, Misti Moore, and Vicki Williams set a new record at the Wheelersburg Invitational of 1:51.2; won 1st place in the Sectional track meet and qualified for the Regionals. **Vicki Williams**, a freshman, qualified in 4 events in the Sectional; qualified in 2 events to the Regionals; scored the most points during the season and was awarded the MVP award for 1986. **Faith Williams**, a sophomore, qualified in 4 events in the Sectional; qualified in 1 event to the Regionals; 2nd in team scoring.

**Misti Moore**, a sophomore, qualified in 2 events to the District track meet, 3rd in scoring on the team.

**3200 Relay Team** of Debbie Workman, Kristina Esham, Barb Bailey, and Debbie Nichols qualified for the District track meet and in that meet ran 18 seconds faster than the team record for 1986 in a time of 11:13.

Coach West and Coach Stone were very pleased with this team's success and hard work. Since there were no seniors on the team, they are looking forward to more success next year.

# JUST SWINGIN'

The 1986 **TROJAN** Baseball team under veteran coach John Tipton, compiled a respective 20-10 overall record while playing stiff AA and AAA competition. The team pulled together to win the sectional and district championships. Tipton felt that this was one of the finest hitting teams he had ever had. The **TROJANS** were led by six seniors; three of which were all-district choices. Among these were ace pitcher, Chris Huesman; catcher, Tony Lasswell; and star hitter, Jeff Ratcliff. Lasswell and Ratcliff also received all-league status in the first year of OKAC baseball. The year saw Portsmouth finish second in the league to Ironton, whom the **TROJANS** defeated twice during the season. Receiving awards for the **TROJANS** were Tony Lasswell, MVP, and Chris Huesman, Phil Rodgers Award.

# BATTERS UP

The Portsmouth girls' softball team improved to a regular season record of 4-9. This year was a rebuilding year, with only five upper classmen. The team had five freshmen starters. This year's team had a good attitude and can definitely be proud of their efforts.

In tournament play, the softball team lost to Piketon with a score of 11-2. A season highlight was the victory over Ironton with a score of 15-0. For next year, look for bigger and better things from the **PHS** girls' softball team. Team MVP's were **Sr. Donna Warden, Sr. Julia Conn, and Fr. Kristi Harold.**

# PHS CLASS OF '87

Our junior year at PHS was filled with decision making. At the beginning of the year, we had to decide if we were happy with our schedules. Then we had to make the decision of whether or not to go to college. Those of us who decided to go began signing up for college conferences and taking college days to explore possible college options. Those of us who chose not to go to college began thinking of what to do when we got out of school. Should we go directly into the work force or get married and have kids? During the year we sold candy and magazines to raise money for the Junior-Senior Prom. Then toward the end of the year, the "prom rush" began. To insure an enjoyable evening, we had to ask a date, find the perfect dress, rent a tux, make dinner reservations, order flowers and sweat a lot! However, as the year ended, we realized that our junior year was a great year. You had to be there!

# SOPHOMORES MOVING UP

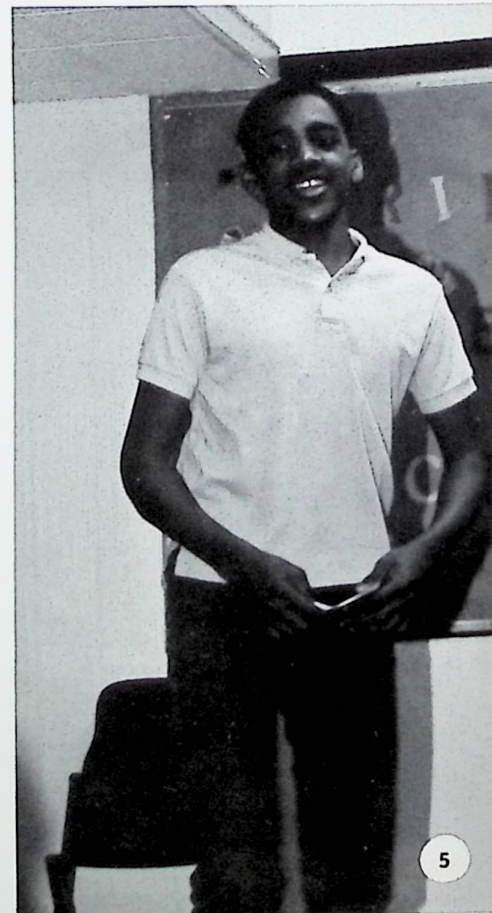

Life at PHS became easier our sophomore year. We were not booed at pep assemblies. Instead, we got to boo the freshmen. Most of us turned 16 and got our driver's license. Our parents didn't have to chauffeur us around anymore. Now they tell us to get a job so that we can have gas money! Oh well! Things could be worse.

# WE'RE ON OUR WAY

In August we came to school, a little nervous, but a lot excited about finally being in high school. We thought we'd have problems finding our way around the building, and we hoped the upperclassmen wouldn't tease us too much. As it turned out, it wasn't that bad — and now that we're sophomores, we can get our revenge on the class of '90.

On the first day of school it seemed that the year would last forever, but we found that it passed all too quickly. Some of us met our goals, while some of us never bothered to set any. Eighty-six will, of course, remain as a milestone in the lives of the seniors as they enter "the real world" and start new lives apart from PHS. Meanwhile, the underclassmen will continue to build many great memories in the hollowed halls of **PORTSMOUTH HIGH SCHOOL. YOU HAD TO BE THERE!**
