Seniors (and one wanna be) gather around Mrs. Deal for a candid. We have to wait until next year to graduate, Heather.

All eyes are on Kayla Williams and Jennifer Harness as they study anatomy of the eye in Biology.

This situation does not look safe. Go ahead and say so Miss Rice Sparks looks like he is up to something.

Chris Newman shows Caleb Payne why he's the master of the headlock grip
Melissa Adams and Joe Schwoerer wait in line for theirs.

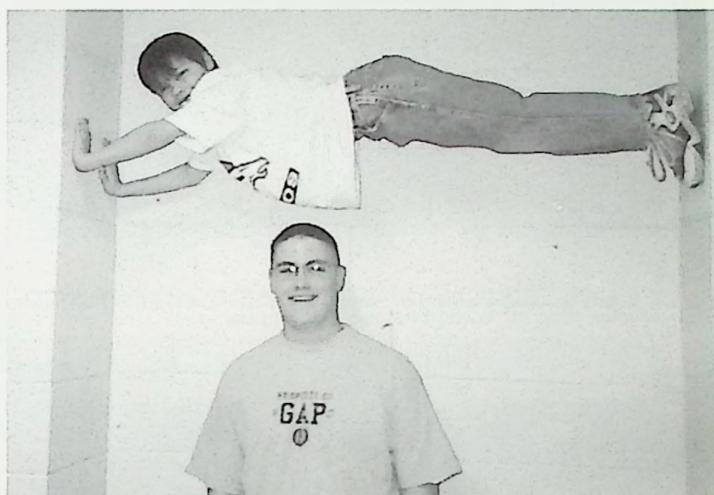

Is Amy Crumm stealing the show, or is Ashley Ellis trying to hide from the camera?

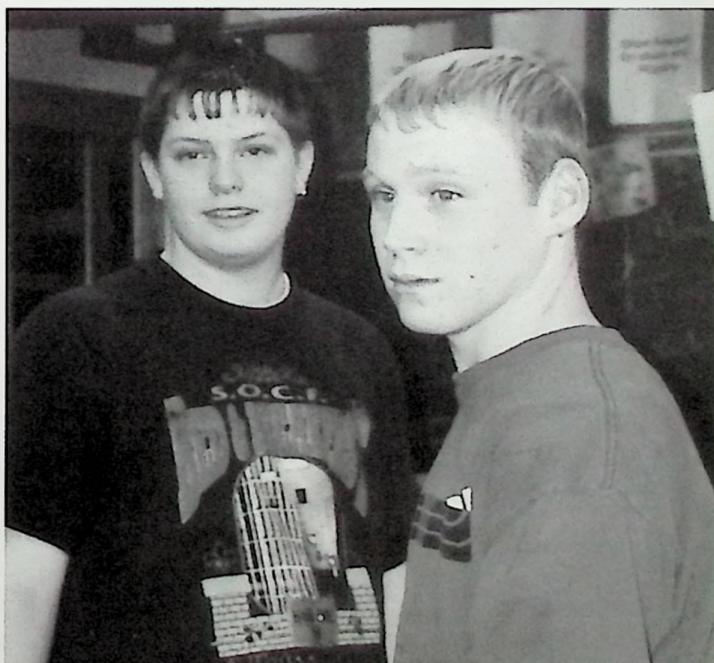

Tishya Heher and Courtney Benner share a hug in their last year of high school together.

If we didn't know any better, we would think that these boys were up to something, wouldn't we?

Through trick photography, Justin Gilliam appears to float in mid-air over Jason VanDeusen.

Sophomores David Stroud and Nathan Fitzer give the "headlight in the eyes" stare. If they were deer, they would be done - DUN, right David?

Andrew Large looks proud of his accomplishment. We don't know just exactly what his accomplishment is though.

Seniors Taylor Williams, Tim Shaffer and Aaron Payne show the classic survival stance every soccer player must learn.

Mr. Rase keeps a close eye on the Juniors, Andy Holsinger, Jason VanDeBrooke Fitch, Nick Payne and Randy Wolfe.

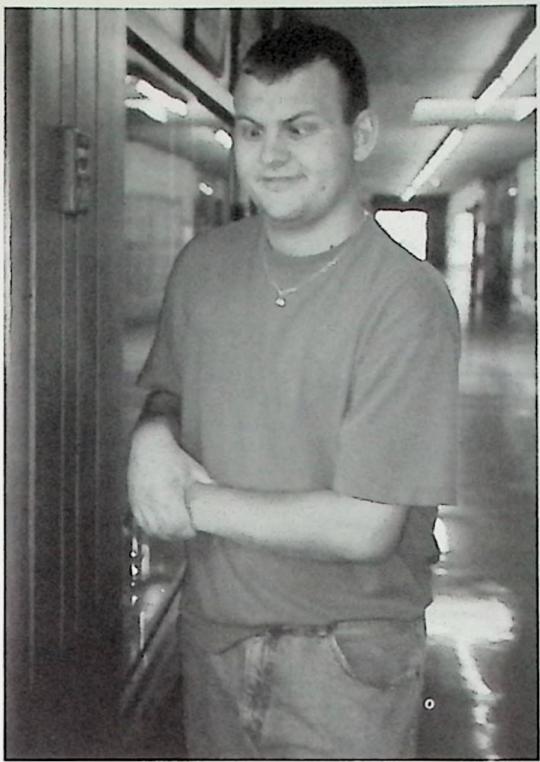

Group dance, group hug, or just enjoying the good life. . . whatever you want to call it Freshmen Andrea Leightenheimer, Matt Thornsberry, Ashley Eason, Matt Workman and Jamie Belcher do it well.

Christy Sue Knauff, Greg Taylor, Chad Phillips and Michael Howell give their best shot.... Well, three out of four give it their best shot.

PICTURE OF THE WEEK

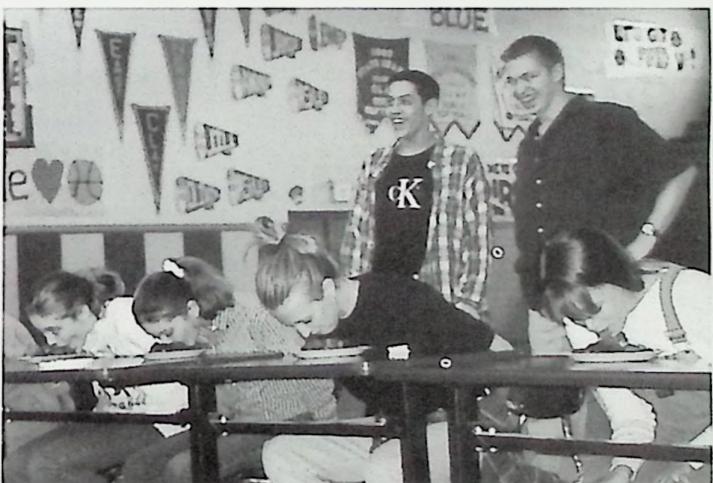

A bad case of Senioritis?

THE GANG'S ALL HERE! From left to right: Marion Haddox, Donald Ingles, Nikki Blanton, Richard Weaver, Joey Buffington, Sarah Phillips, Bobby Paxson and Josh Jenkins.

CHARMED I'M SURE. Contessa LaValley shows us the charm that makes her so charming. Charming, isn't it?

Homecoming Attendants compete in a jello eating contest during Homecoming Activities Week. Katie Hempill was the undisputed champion. Others involved were Billie Jean Barry, Emily Carr and Cassie Clark as Aaron Payne and Tim Shaffer watch the action.

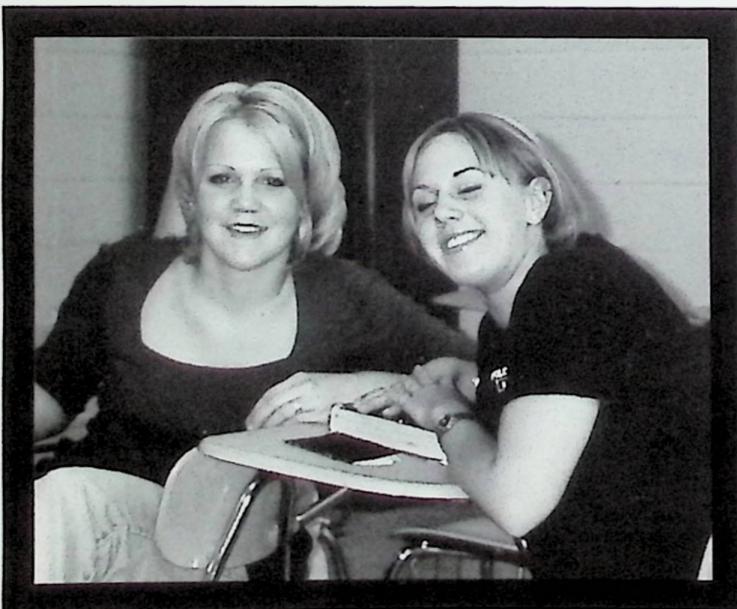

On the bench there is always plenty to think about...Andrew Scott, B.J. Maxie, Josh Mershon, Matt Thornsberry and Ricky Compan think about all the homework that they could be getting done.... YEAH RIGHT!

Matt Workman begging for some attention from Andrea Leightenheimer. It looks like Andrea is getting ready to let him have it, one way or the other.

SURFIN' CHS...The surf's up as well as their time here at Clay for these Seniors, Taylor Williams, Amanda Spriggs, Emily Carr, Jeff Payton, Cassie Clark and Jessica Singer.

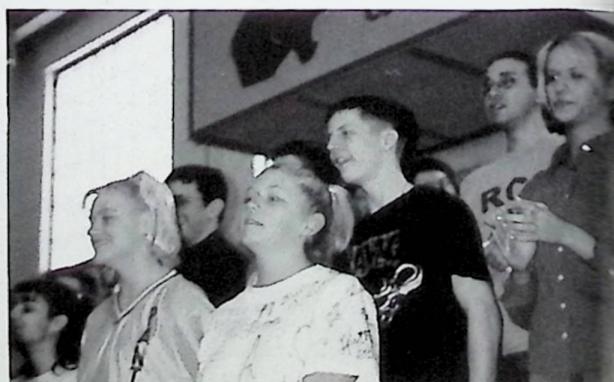

Special times with precious friends...Courtney Miller and Andrea Moore are the precious friends.

Travis Kielmar offers some encouragement to Josh Mershon as finds his way to the bench.

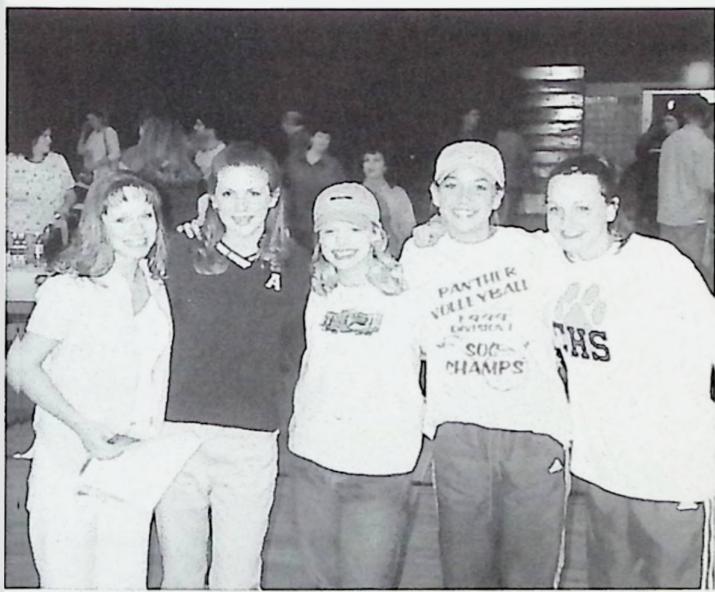

Jake Davis, Andrew Large and Kenny Hempill discuss life as somores....Randy Compan and Caleb Evans have their eye on one special....and Nate Belcher describes how he just didn't see coming.

Juniors look on during a pep rally.

Contessa LaValley, Jeff Payton and Jon Sinclair happened to be right where this picture was being taken.

Im the spotlight for now are these hometown girls, Jill Parker, Ashley Crabtree, Andrea Leightenheimer, Ashley Huff and Jamie Belcher.

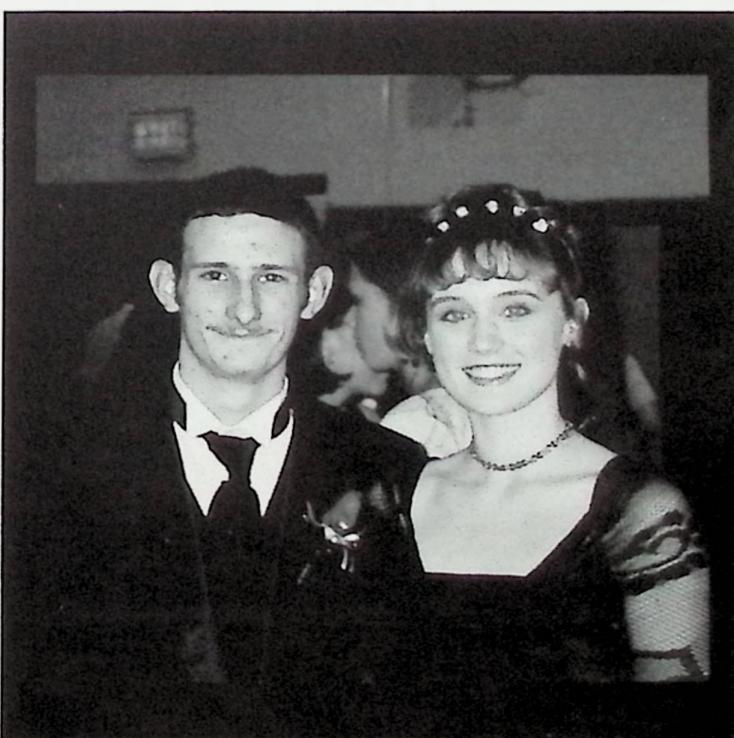

It's a picnic in the park...maybe not. OK, it's lunch in the cafe...It's the same thing, right girls? Christy Fowler, Brianna Sparks, Carrie Caseman, Natasha Ward and Lynn Burton do not seem to agree.

What do you get when you cross a Sophomore with a 7th Grader?.....A pretty picture for the yearbook. Thanks to Katie Hempill and Jessica VanDeusen for filling in.

PANTHERS LET IT ALL OUT!

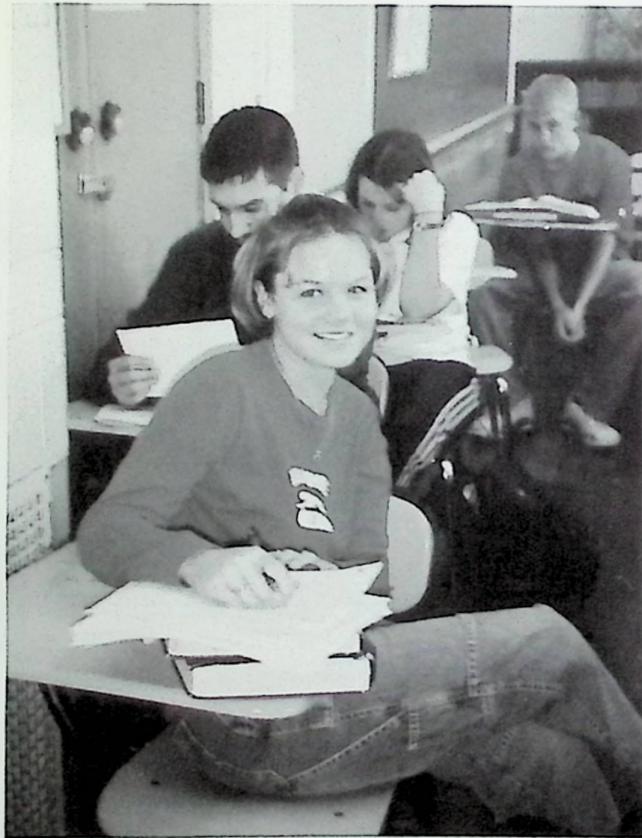

Michael Craft and Allison Bloomfield enjoying their evening together, beginning at the Grand March.

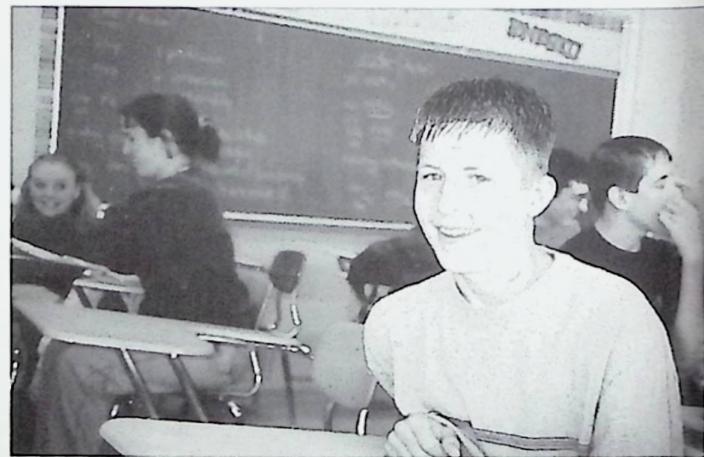

"Hey, tell these bullies to pick on someone their own size". Justin Gilliam is easy prey for Andy Holsinger, Matt Thornsberry and Jason VanDeusen.

What is so funny? Must be an inside joke for Missy Renner, Tessa ~~Wes~~ and Megan Sparks, because Ashley Ellis and Jake Davis aren't laughing.

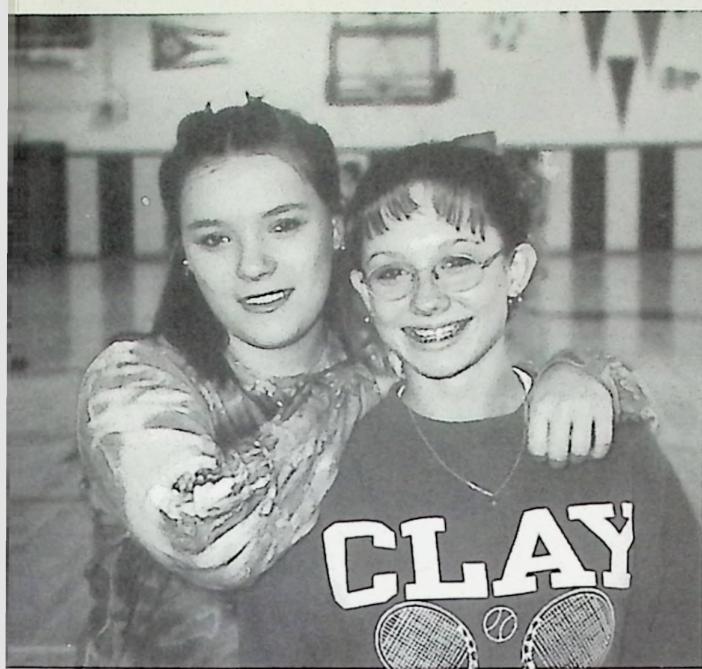

It seems Kenny Hempill is finding it difficult to concentrate. Do you think Kayla Williams may be the reason?

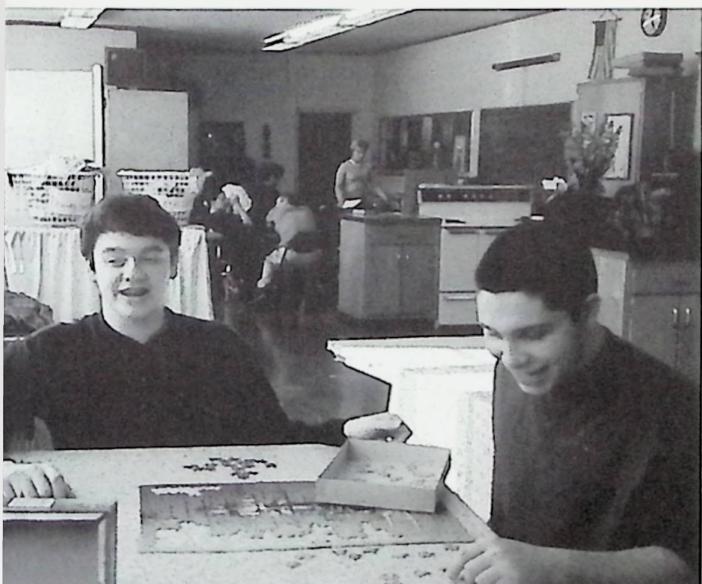

Sure, Joey Hammond is cute, cool, suave, and athletic....if you do believe that, just ask him. Or ask Brandy Summers, it looks like she agree

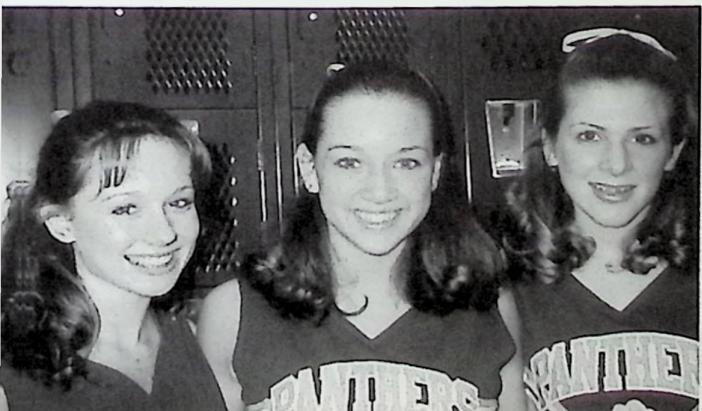

Zach Smith and Caleb Evans shown here when times were good.

Tami Nichols and Jill Parker put their best smile on for the camera.

Having fun are Andy Hollis and Jason Thompson, as they near the completion of their masterpiece.

One pretty girl X 3. You do the math. Jill Parker, Ashley Huff and Ashley Raubtree know the answer.

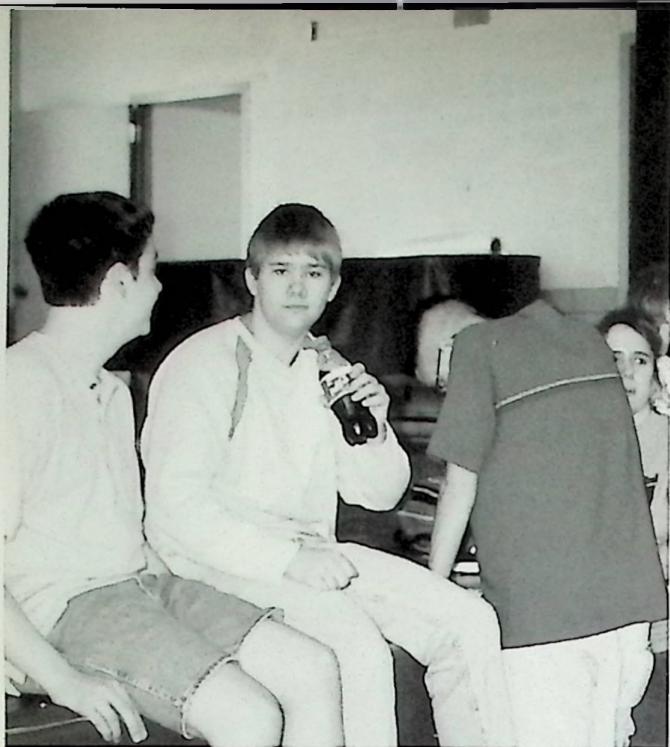

Hi, I'm Matt and next to me is Aaron. We are not your ordinary LARGE PAYNE in the neck.

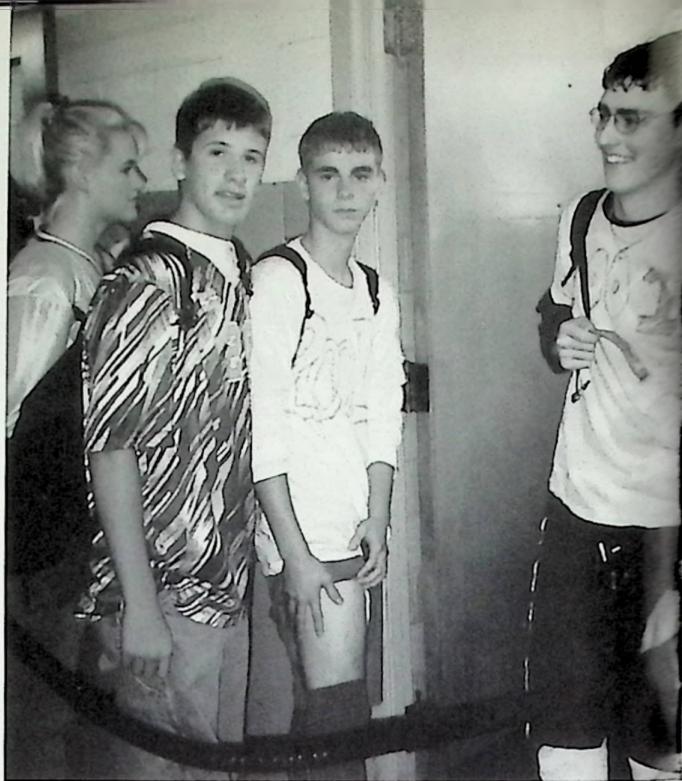

We're not acting cool, we're just being ourselves, says Josh Mershon, Greg Taylor and George Hairston.

What mother wouldn't love this face! Nate Belcher and Nathan Fitzer find it hard to believe, but it's true, says Bryant Frantz.

Daniel Ratcliff says, "This Coke's for me, not for you".

"It's plain to see that...I'm too sexy for my shorts", says Andy Holsinger, may be difficult to convince Wade Kotcamp and Nick Payne, though.

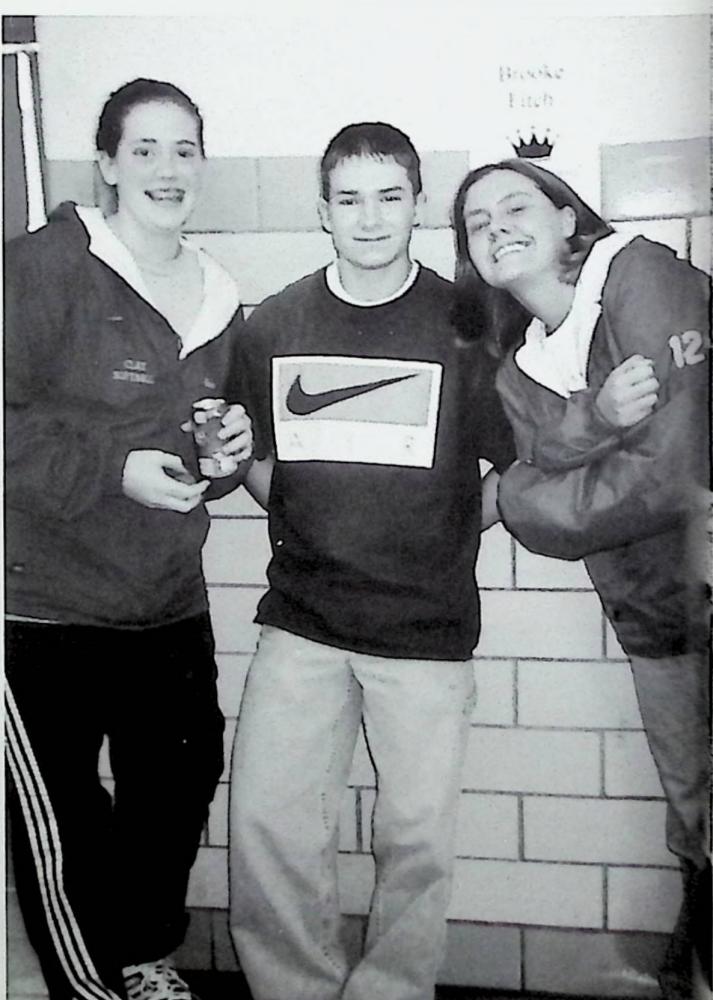

Sean Boldman demanding an audience and he gets one. Jason Southworth, Joey McCleese and Jimmy Harness are his audience this time.

You've gained a little weight since last year, didn't you Santa!

Aaron, I mean, Santa's elf feeds Blitzen some reindeer food.

Heather Bihl, Jimmy Harness and Brooke Fitch having a good day as us.

Amanda Spriggs, Cassie Clark, Sara Workman and Emily Carr spend some lasting moments together.

the usual suspects? Not Adam Arnett and Greg Taylor? At least not this time.

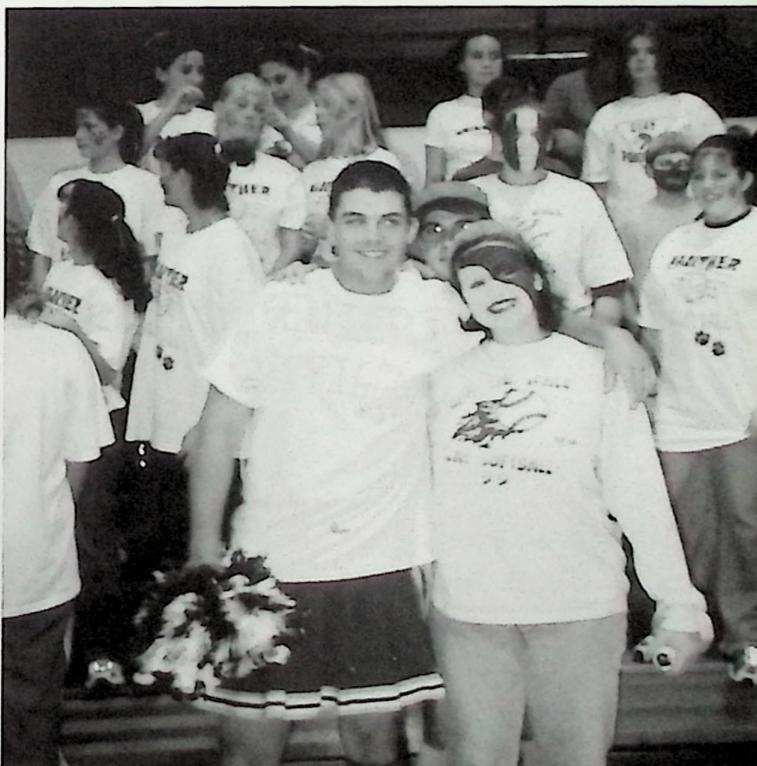

The band plays on, despite Shannon Barrett's decision to strike.

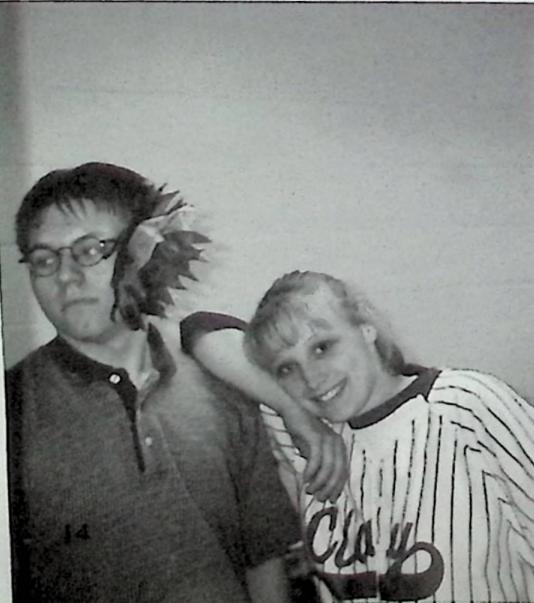

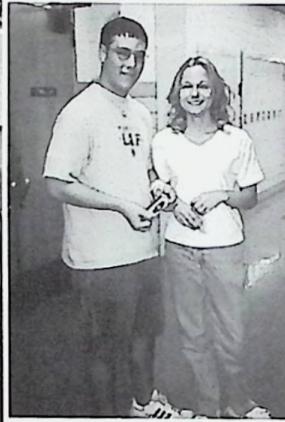

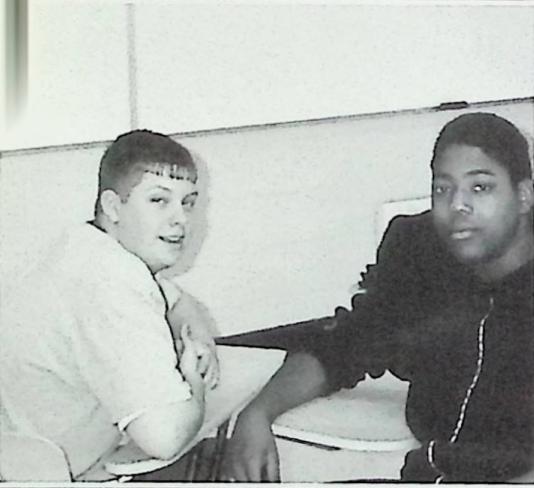

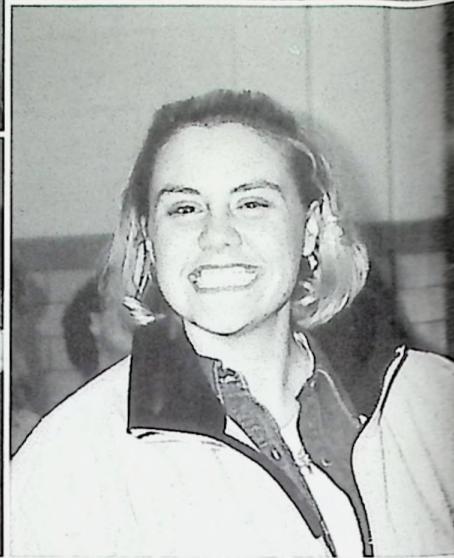

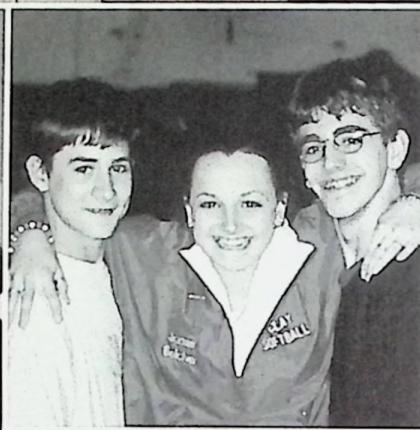

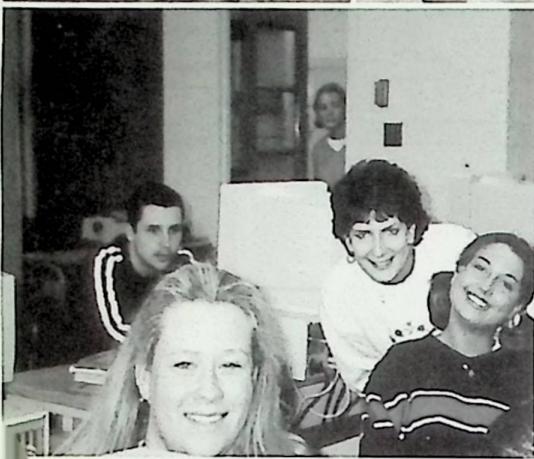

I wanna get away, I wanna fly away yeah yeah yeah. Travis Kielmar is ready to get away for the summer.

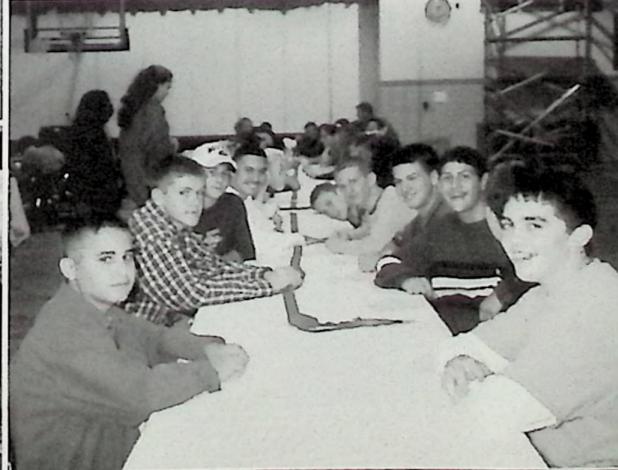

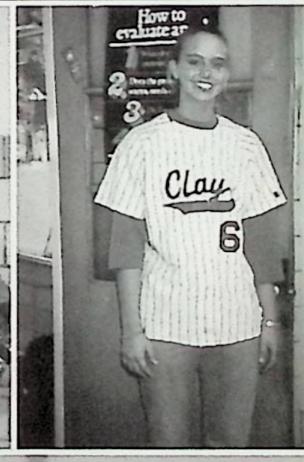

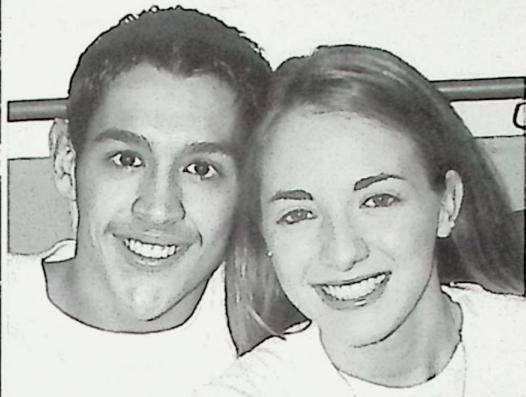

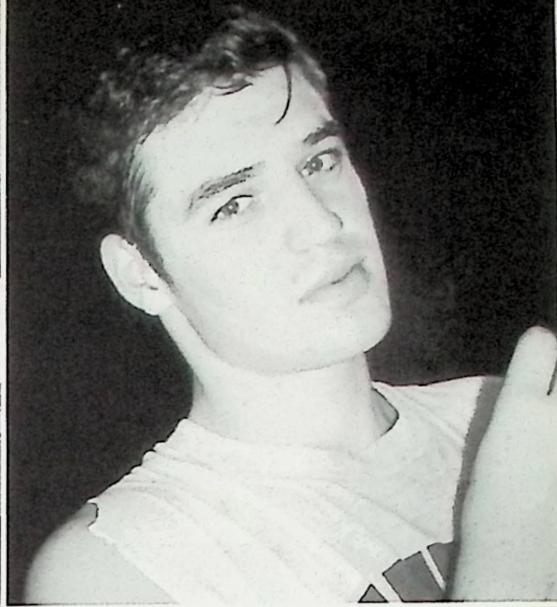

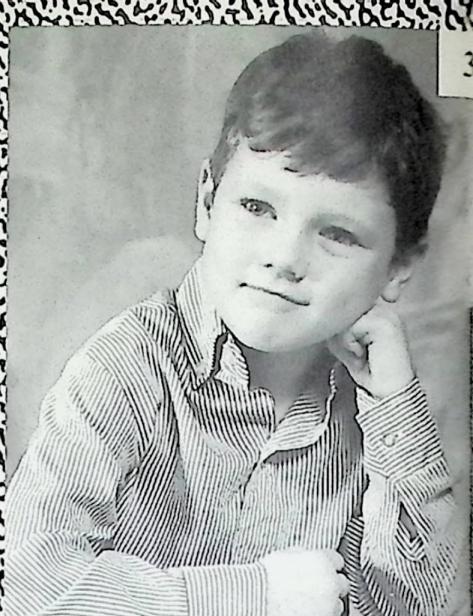

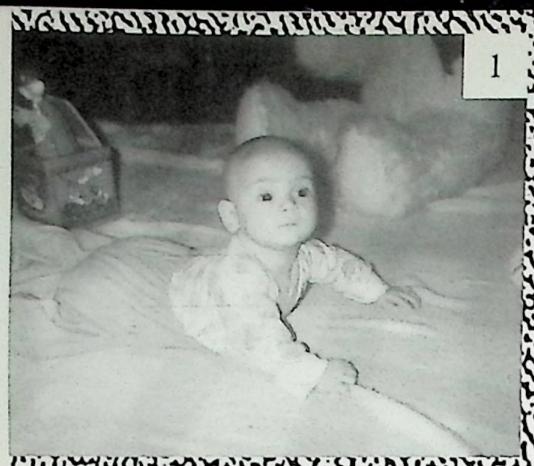

The Good, The Bad, and The Ugly (but not necessarily in that order). They are George Hairston, Jill Parker, Olivia Keyser and Matt Thornsberry.

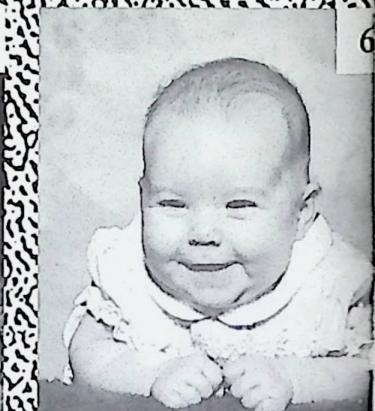

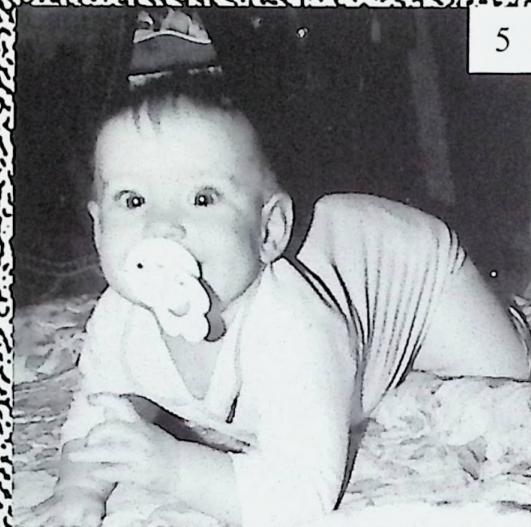

Matt Large and Emily Hempill leading the cheers.

RIVER DAYS 1999 - The 1999 River Days Pageant was an evening I'll never forget. It was very fun and exciting. The theme was "River Days Moving Into The Future", and that's what we did. We started the evening with introducing ourselves, and then moved right along to the sportswear. Finally, it was the oh, so elegant evening gown. I will treasure these memories forever, as I continue to "Move Into The Future".

CHEERLEADERS

7th graders have mixed emotions about having their picture taken.

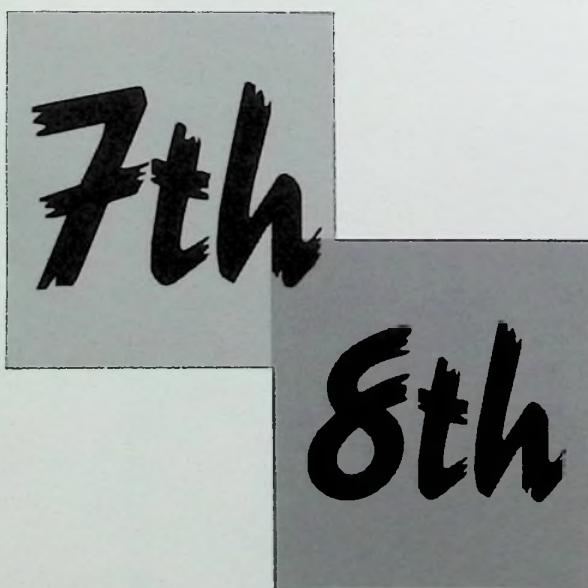

Everyone looks ready for this one except for Jared. Better luck next time Jared. The ready participants are Tedra Stiltner, Whitney Detillio, Amber Gillum, Jessica VanDeusen, Emily Gleim and Lindsay Ward.

Sarah Shaffer takes a break between school and the next tennis match.

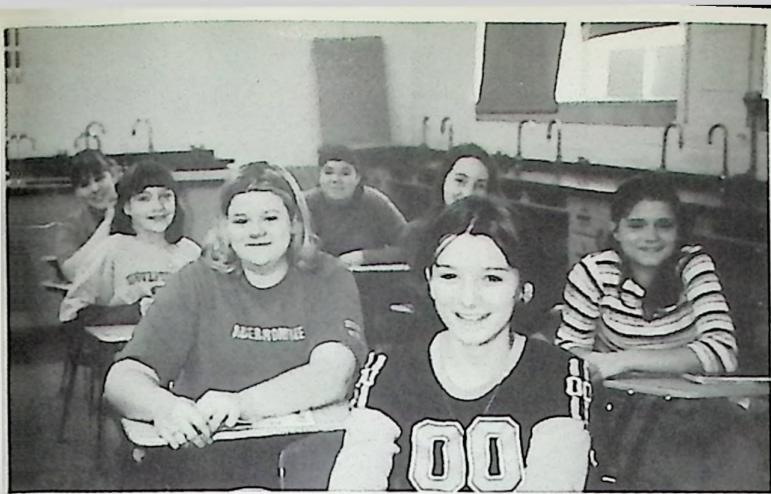

Britnee Burchett, Dawn Watson, Kia Jenkins and Vanessa Slack get some free time to have a little "girl talk" with one another. Okay girls, you can go back to your little "girl talk".

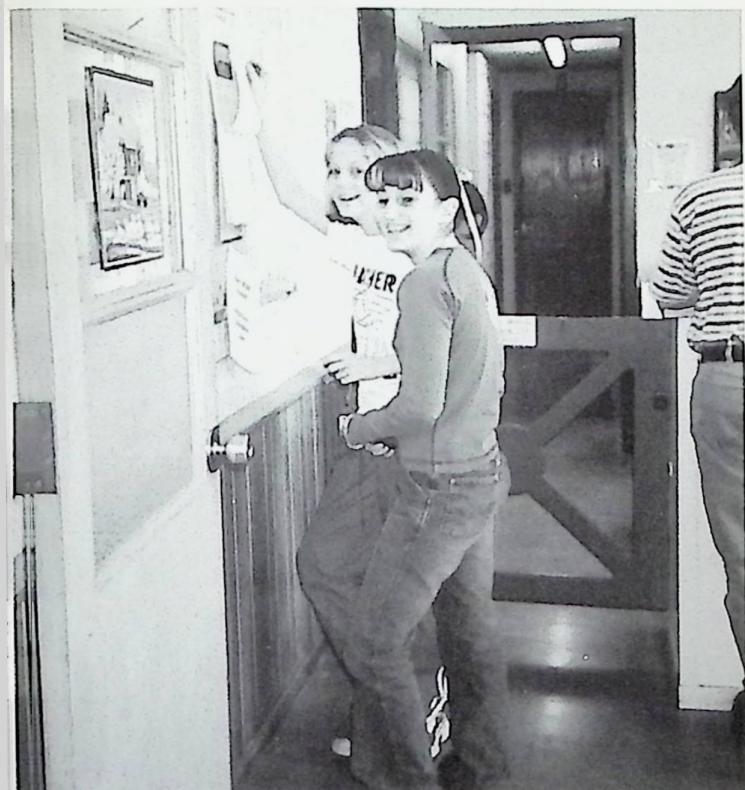

From the looks of things, you would think these 8th graders like each other. What do you think?

junior high

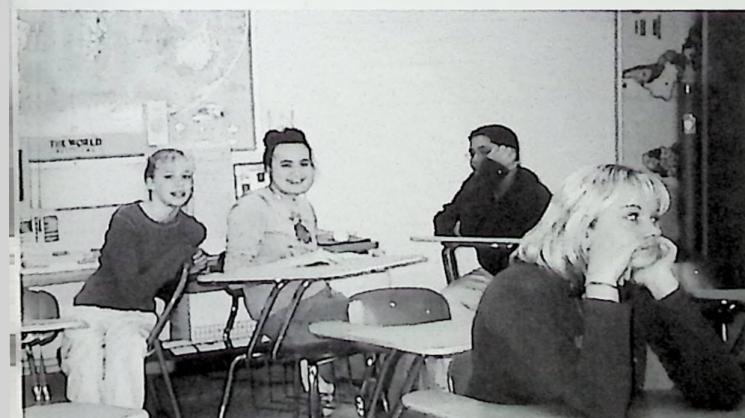

life

A few 7th and 8th graders smile away at the camera.

Keendra Lloyd and Emily Gleim looks as if they are counting the days left in the school year. Is that so, girls?

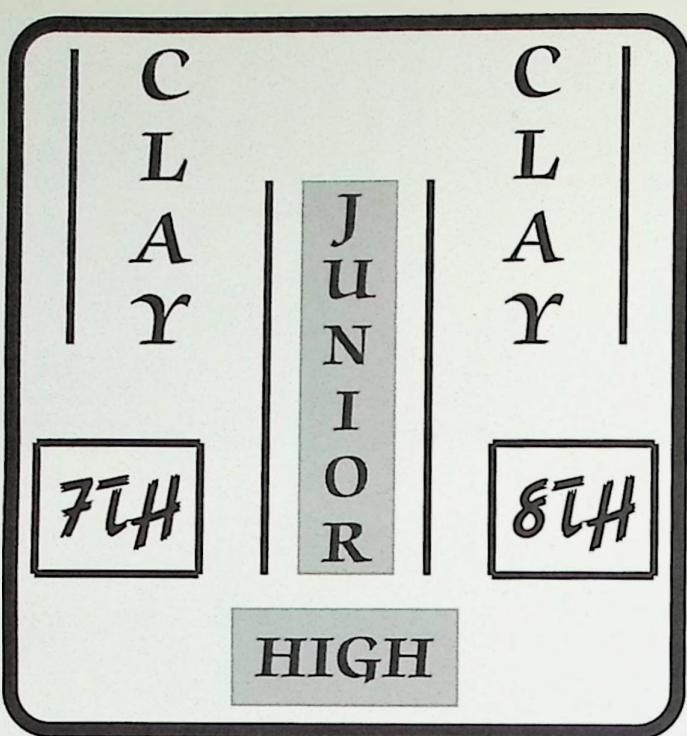

Amanda Clark, Jamie Bloomfield, Chad Curley spend some "down time" in class together, as Renea Schackart gazes out the window.

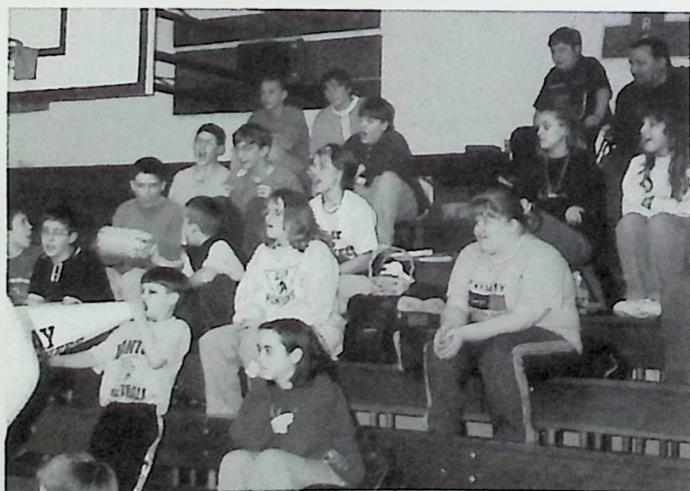

HEY, there's Dawn Watson looking content and relaxed in the library. Of course, Dawn always looks content and relaxed wherever she is. The same goes for Mrs. Parkes, who's looking on in the background.

Hey, where is everyone? Jessica Singer and Ross Frantz looks as if they have been deserted.

Good Times at Clay Junior High! Nobody told us that 7th grade was going to be so much fun.

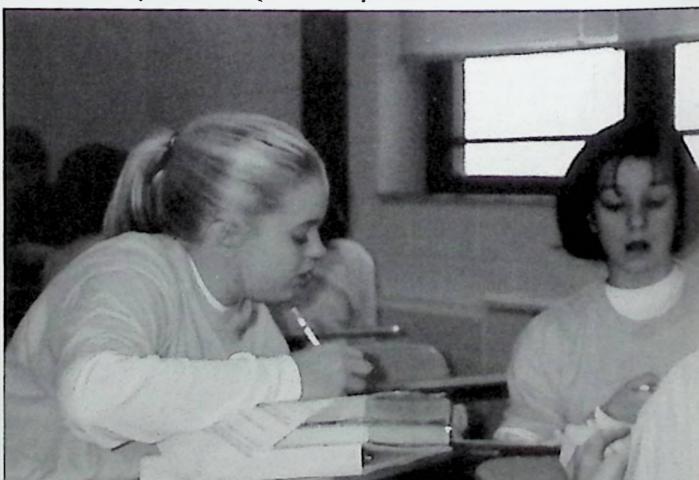

The 7th Graders take this stuff serious, as they try to help cheer the Panthers to victory.

The 8th Graders get ready to show their spirit in the pep assembly.

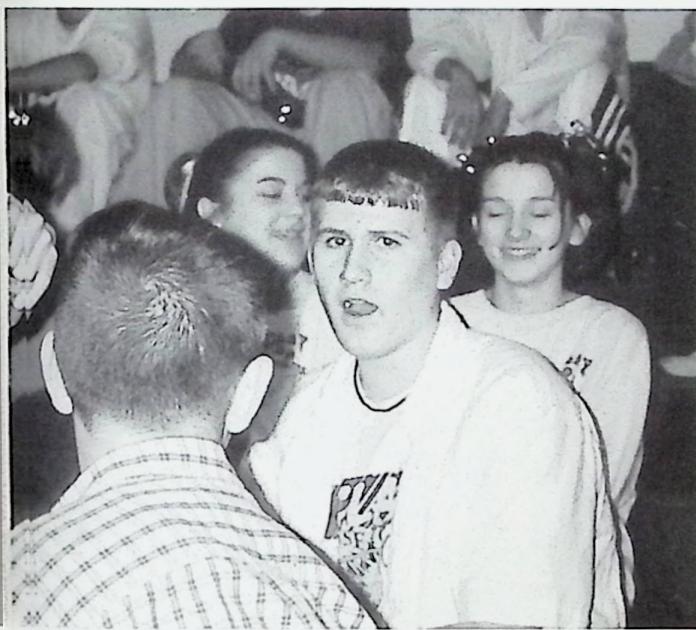

Jon Todd, Lyndsey Redding, Lindsay Ward and Jarrod Newkirk get ready buzz in on a question at Quiz Bowl practice.

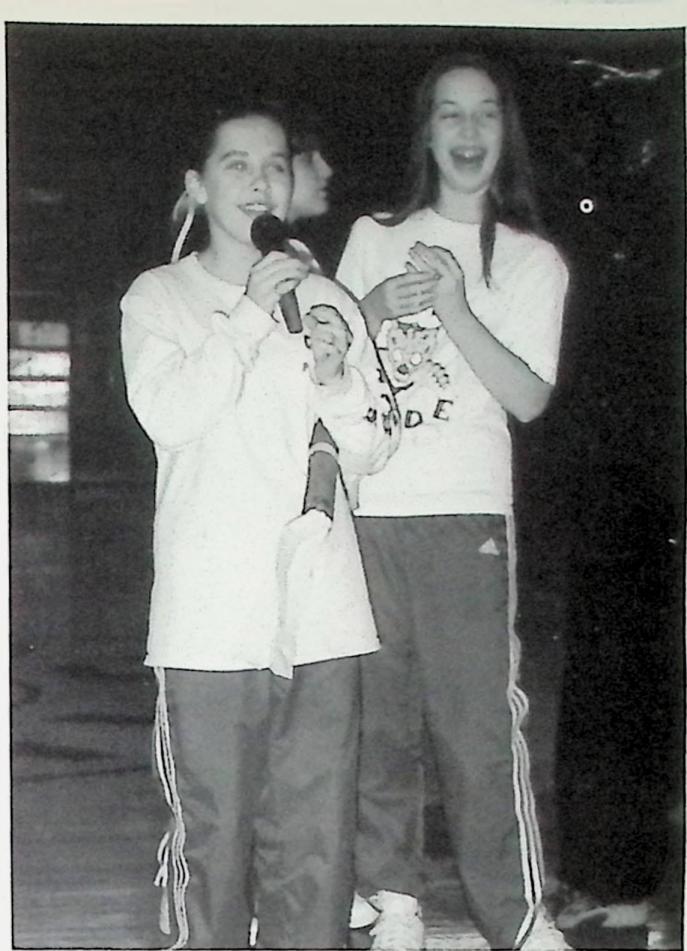

Tara White and Erica Singer work together in math class.

Cassie Whisman and Renea Schackart working diligently on a project in Home-Ec class.

Joosh Redden is a) caught up in the moment, b) caught off guard, or c) caught looking dazed and confused.

Whitney Detillion gladly lets Linsay Ward take charge in the pep assembly.

CLASSES OF 2004-2005

Billy Jones checks with his crew to see if they are ready for action in the pep assembly.

It doesn't take much for Tedra Stiltner to get the "giggles", and when she does, watch out. Brittany Schackart and Travis Stewart know this for sure.

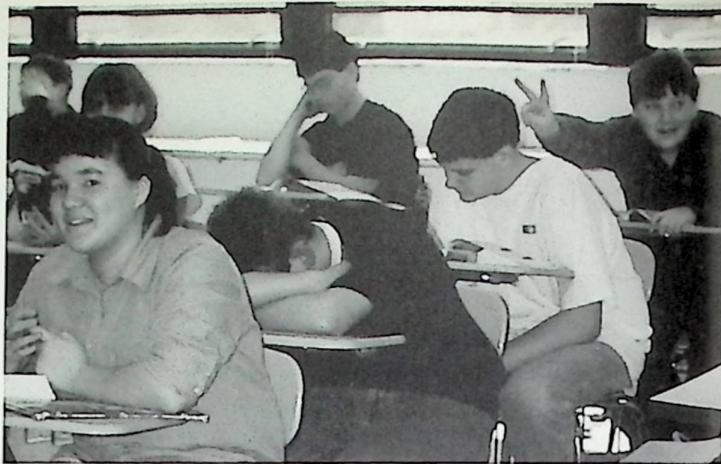

junior high life

8th graders Lindsey Redding, Tiffany Hempill, Brooke Freauf, Amy Hess and Amanda Clark get down to business.

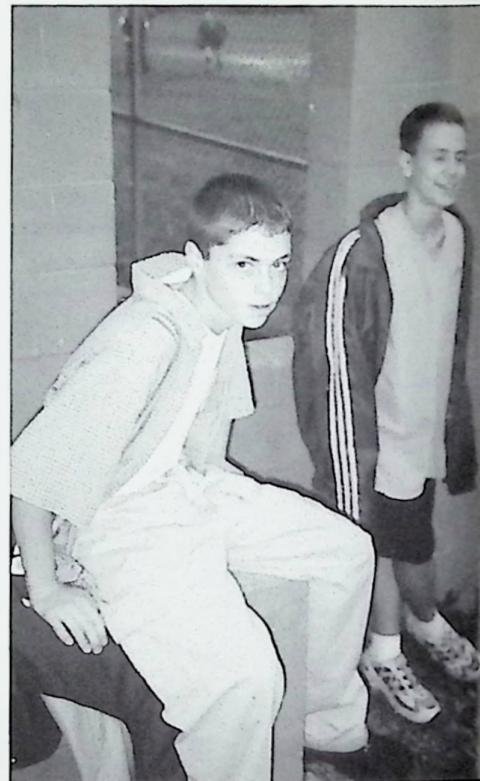

Charity Rice stops to say cheese as her classmates go on with life.

Angela Bloomfield appears to be having a good day, Tyler Scott hides from the camera, Adam Kirkland is oblivious to what's going on, and Jon Todd does the normal 7th grade thing.

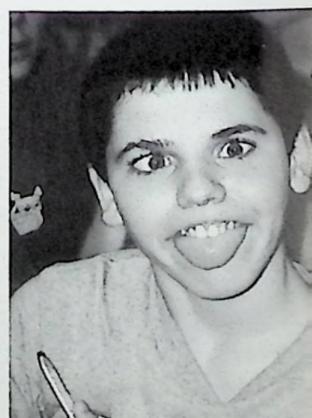

Jarrod Kotcamp sets his sight on the goal.

Neighbors, friends and classmates, Ross Frantz and Chris Robinson share good times together.

Tyler Scott, David Carver and Jerry McGlone say hi to the camera.

Hi mom! This is what I'm like at school.

JUNIOR

Kendra Lloyd shows her school spirit in leading the 7th graders in cheers.

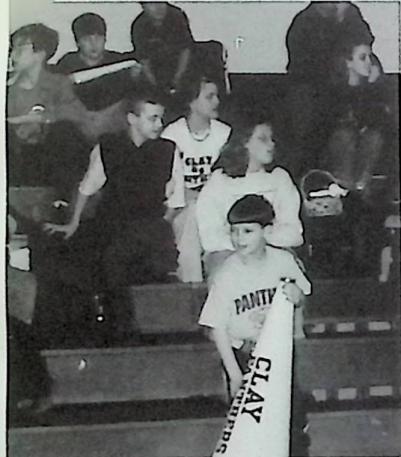

Rooters for the home team: Lyndsey Redding, Amy Hess, Tara White, Amanda Clark and Brooke Freauf clown around before the start of a soccer game.

It appears that the 7th grade class is ready for another exciting day at school.

HIGH

Can someone get Justin Gilliam a bigger megaphone?

Lindsay Ward and Jenny Crumm show their spunk and charm as Angela Bloomfield and Jessica VanDeusen look on.

Daniel Ward showing how difficult it can be writing left-handed in a right-hander's desk. It doesn't seem to bother Daniel, though.

Angela Bloomfield and Emily Gleim letting their lips relax a little.

Charity Rice and Shannon Barrett had a little trouble adjusting to Junior High, but learned quickly to tell everyone to BACK-OFF!

You girls trying to sneak off of school property? Vanessa Slack, Dawn Watson, Cassie Whisman and Renea Schackart are caught in the act.
